2022-23 Texas Academic Performance Report (Public Meeting)—Dr. Ashley Clayburn

- Texas Education Code §11.252 (e) requires the district level committee to hold at least one public meeting per year. The required meeting shall be held after receipt of the annual district performance report from the agency for the purpose of discussing the performance of the district and the district performance objectives. Specific CFISD data were shared regarding: STAAR performance, graduation rate, campus performance objectives, and graduates enrolled in institutions of higher education. Those in attendance were given the opportunity to ask questions.

Budget Forecast—Karen Smith

- Mrs. Smith began by explaining how school district funding works in the State of Texas. She shared general fund expenditures in CFISD and noted that that 63.32% of our money is spent on instruction while 1.72% is spent on district leadership. For the 2024-25 school year, considerations for our budget include increasing revenues, reducing expenditures, and utilizing a portion of our fund balance. Those in attendance were given the opportunity to ask questions.

Student Code of Conduct—Adrianna Price

- Mrs. Price provided an update on the Code of Conduct. In November 2023, Code of Conduct feedback forms went to campuses and the community. In December 2023, Code of Conduct feedback was obtained from DEIC. In February – May 2024, a review team will meet to discuss and reach a consensus on possible revisions to the code of conduct and the student handbook. The 2024-25 Code of Conduct will be available before the beginning of the 2024-25 school year.
