[www.edenpr.org/ECFE](http://www.edenpr.org/ECFE)

Welcome to Early Childhood Family Education where we inspire each child in their love of learning. As your child's first and most important teacher, Early Childhood Family Education (ECFE) classes are here to support you in being the best parent you can be. These classes are designed to serve you and your child from ages birth to five years. ECFE is unique to Minnesota and is a program of Eden Prairie Schools Community Education.

By choosing ECFE in Eden Prairie you can count on us to uphold the following core values while your child participates in ANY of our programs:

- We believe each person has intrinsic value.
- We believe each person has individual gifts, interests and talents.
- We believe community benefits when each person contributes.
- We believe relationships flourish on a foundation of mutual respect.
- We believe continuous learning is essential for personal fulfillment, opportunity and success.

This catalog outlines the many opportunities to best fit your family for the upcoming school year. Our highly qualified staff are excited to get to know you and help you build upon your unique gifts that contribute to our school community.

It is never too early to start stimulating your baby's mind in ways that promote healthy development and build on your relationship with your child. # ECFE FAQs

## When do ECFE classes start and end?

**School Year-long** Classes begin on Sept. 9 and run through May 9. This aligns with the school district calendar for non-school days. Registrations are accepted year round based on availability and fees are prorated.

**Seasonal Classes** are scheduled in three sessions throughout the school year. They align with the school district calendar for non-school days. There are classes that start in September (fall), December (winter), and February (spring).

## What is the difference between seasonal classes and school year-long classes?

ECFE classes run in two separate schedules to give your family flexibility. The school year-long schedule allows the same group of families to stay together for the full school year. The seasonal session allows increased flexibility for your calendar. Both the seasonal and school year-long classes will cover similar topics and lessons.

## Can I take more than one seasonal class?

Yes, you can sign up for one or all three in a school year. Class content and topics will vary based on class attendees. Please note, some content may repeat.

## What is the difference between a non-separating, gradual separating, and separating class?

In a non-separating class, parents stay with their children for the entire class. In gradual separating, there is a transition from parent/child time to separate time over the course of the class. Our separating classes include parent discussion held in a separate room. Parent discussion is included in all classes.

## Sliding Fee Scale for ECFE Classes

## How much do ECFE classes cost?

The cost of classes are based on the sliding fee scale below. They are designed to be affordable for all families to attend.

## What if I have other children who need care during class (i.e. Sibling Care)?

Care is available for siblings of children registered in ECFE classes for a fee. Space is limited. Babies through 5-year-olds participate in our child centered sibling care classrooms. Staff provide a flexible, fun learning environment which includes games, songs, art activities, and child-directed play.

Our experienced staff provide a safe, secure environment for your child that includes:

- Gentle, loving care

Registration is required for sibling care and registration is only available by contacting us at [EPS\\_LittleEagles@edenpr.org](mailto:EPS_LittleEagles@edenpr.org) or 952-975-7200. *Please note registering for an ECFE does not automatically enroll in sib care. Space is limited. No drop in care available, must register for the entire session/class.*

ECFE classes are priced on a sliding fee scale based on your household income. Payments for seasonal classes are made one week before the start of each season. For year-long classes, payment is charged three times per year - on September 2, November 25, and February 17.

Fees for Parenting Education (parent only) classes and Fantastic Fridays are listed separately and due at the time of registration.
