

Communication Guide

Supporting student achievement & parent engagement through clear & comprehensive communication

LIVERMORESCHOOLS.ORG is our district website and home to all of the news, announcements, calendars, and operations of our district. Learn about district-wide initiatives or select your child's school to find school-site information.

LIVERMORESCHOOLS MOBILE APP brings the information from our website to your fingertips! Customize your app by following the schools that are important to you. App translates to 70 languages. Download for free at Google Play or Apple App store.

FACEBOOK @livermoreschools is our community bulletin board. Posts about District & community events, educational & enrichment opportunities for students, parent education forums, and mental health & wellness resources are provided to support our students and families beyond the classroom.

INSTAGRAM @livermoreschools shows learning in action, what's behind the scenes or behind the classroom door. Our pictures tell a story about our schools, staff, and students.

PEACHJAR is the hub for electronic flyers announcing upcoming events, on-campus activities, enrichment programs, scholarships, fundraisers, sports, and more! Accounts are school-specific with tailored information for each audience. Receive updates via email or on the Livermoreschools Mobile App.

NUTRISLICE is LVJUSD's digital menu board where families can find monthly printable school breakfast and lunch menus, and detailed nutritional information for each item. Visit <https://lvjUSDchildnutrition.nutrislice.com/> to see our school menus and nutritional options for our students.
