

Knowing & Growing Our Students

School – Parent Compact

Each school receiving funds under Title I of the Every Student Succeeds Act (ESSA) must develop a written school-parent compact jointly with parents for all children participating in Title I activities, services, and programs. That compact is a part of the school's written parental engagement policy developed by the school and parents. The compact must outline how parents, the school staff, and students will share the responsibility for improved student academic achievement and how the school and parents will build and develop a partnership to help children achieve the state's high standards.

School – Parent Compact

The school and the parents of the students participating in activities, services, and programs funded by Title I will agree that the compact outlines how they will share the responsibility for improved student academic achievement and how the school and parent will build and develop a partnership that will help children achieve the state's high standards.

Required School - Parent Compact Provisions

School Responsibilities

The school will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the state's student academic achievement standards.
- Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed regarding the individual child's achievement.
- Provide parents with frequent reports on their children's progress.
- Provide parents with reasonable access to staff.
- Provide parents opportunities to volunteer, participate in their child's class, and observe classroom activities.
