## 1.0 Introduction

Schools are required to have guidance and procedures for the proper supervision of pupils by staff in school and on visits that is available to and understood by all members of staff. EYFS pupils require additional supervision and protection, both on site and during visits. Boarders require additional arrangements for their supervision outside the normal school day.

### 1.1 School context:

Prestfelde is a 30-acre parkland site with one busy road to the front (London Road) and a quieter road at the rear (Preston Street). Traffic movement on site is limited to the start and end of the day with extensive supervision in place to support busy times.

It is our duty to ensure that all children attending Prestfelde School are supervised to ensure their safety and wellbeing throughout their time at school. All staff whether on duty or not have a responsibility to safeguard pupils at all times. They have an ongoing responsibility to intervene as and when necessary to promote good behaviour, see **behaviour policy**.

### 1.2 Site security:

There are perimeter fences, gates, locks and keypads across the site to enhance security. Codes are known only to staff.

All visitor to the school (excluding parents) are required to report to the main office, sign in and collect a photo ID lanyard. Staff will escort visitors while on site. All staff must challenge anyone not recognised as having a legitimate reason to be on site.

### 1.3 Staff induction:

All new members of the teaching staff receive a thorough induction into the school's expectations of the appropriate levels of pupil supervision. Guidance is given on areas within the buildings and grounds that should be regularly checked when on duty outside normal lesson times.

### 3.0 Arrival and departure:

Pupils may arrive at school from 0800 and are expected to leave the site by 1800 unless they are staying late for a function or boarding on site. At least two members of DBS checked staff are always present on duty, in order to supervise pupils whenever they are in the school grounds.

### 3.1 Supervision while travelling to and from school:

Parents are responsible for ensuring that their children travel safely to and from school. Pupils are expected to behave responsibly. We would always investigate complaints about poor behaviour from the driver or members of the public.

- Little Prestfelde children are supervised by the driver whilst on the school bus and the driver is responsible for ensuring that each child is physically taken into school and handed over to a Little Prestfelde member of staff. Drivers are also responsible for ensuring that children in Little Prestfelde are wearing their seat belts.
- Drivers will support Middle School children in putting on belts as required.

Any issues concerning safeguarding are reported upon returning to school to the DSL.

### 3.2 Registration:

	Morning	Afternoon	
Little Prestfelde	08:30	13:00	
Middle School	08:30	13:30	
Senior School	08:30	15:50*	*13:50 on Wednesday

Parents are responsible for notifying the school if their child is absent for any reason. The school will identify any child absent without prior consent and by 0915 will contact the parent to clarify the reason for absence to ensure the safety and wellbeing of each child; and inform the child's form tutor of reason for absence. The attendance of each child is monitored in line with our safeguarding policy and procedures.

Upon registration children and/or parents will ensure that they communicate where their children are going at the end of the day. This will be recorded on our registration system (iSAMS).

#### **4.0 Lesson time:**

During lesson time teachers are responsible for discipline in classes, in extreme circumstances a member of SMT/SLT will be asked to support. Where pupils move around site lesson registration is done to check all pupils are present. If a pupil is absent without known cause, the office is informed, and a search is undertaken. For Little Prestfelde pupils moving around site, pupils will be collected and returned by the member of staff.

#### **4.1 Forest school:**

Forest School sessions are led by one of our two level 3 qualified Forest School leaders with a second member of the Little Prestfelde team. See risk assessments and Forest School planning. To ensure communication in the case of an emergency, staff will always take a 2-way, walkie talkie with them along with their Forest First Aid equipment.

**5.2 First break duty**

- 0950 Little Prestfelde (every Monday 0920)
- 1020 Middle School
- 1020 Senior School (every Wednesday 1030)

Little P, Middle School and Senior School have rota of staff who are on duty, posted at different points within the playground, to support the children’s play and safeguarding. Before all playtimes, the members of staff on duty will consider the risks of the outdoor environment. This may mean that certain parts of the Adventure Playground are out of bounds due to slipperiness caused by rain or repairs etc. All children will be informed of the risks before they exit for their play time.

All staff on duty during these times are responsible for the children’s wellbeing during the time that they are on duty. There must always be three members of staff supervising the children at all times and this is outlined by the duty rota. Staff are proactive with regard to any issues and circulate as appropriate. Staff will supervise changing as well as snack time in the dining room.

### 5.3 Cars on site:

All staff on site ensure that they adhere to the 'No drive through policy' during the times that the children are outside playing. In the unlikely event that a car needs to be moved, the adult speaks to the member of staff on duty who will blow their whistle and ensure all children are standing in the safety of the adventure playground, field, tennis court or cage.

### 5.4 End of break:

- **Little Prestfelde** the whistle blows and all children stand still. On the second whistle they are asked to walk in, Reception children line up on the tarmac outside Little P and Year 1 and Year 2 children walk and line up outside their classroom door where staff will count them in.
- **Middle School** line up adjacent to the music school when the whistle sounds at the end of play time. Children will be expected to stand quietly and walk into the cloak room. Once in the cloakroom they will get changed and sit ready to be taken by an adult back to their classroom to start learning. Children will walk at all times in single file. All adults will enforce this expectation.
- **Senior School** pupils will return to the changing room on first whistle to change their trainers before moving to their next lesson.

### 6.0 Lunch time and break duty supervision:

- 1150 Little Prestfelde (Nursery 1130)
- 1220 Middle School
- 1250 Senior School (1300 on Wednesday)

#### Little Prestfelde Lunch arrangements:

- In Little Prestfelde, children enter the dining room with adult supervision. EYFS pupils are supported by staff on duty to get their lunch. KS1 pupils line up at the servery and staff support the children. Reception pupils are buddied with a Year 2 pupil for support and to encourage positive eating habits. Nursery pupils begin lunch slightly earlier to give them more time. Year 1 are supported by a member of LP staff.

#### Middle and Senior School Lunch arrangements:

- Children enter the dining room and sit on tables in their House groups. This enables a family supportive culture. A thanksgiving prayer is said at the beginning of each lunch time- lead by form tutors or the person on duty. Teaching staff sit with their House group to promote

positive conversations, model and reinforce the independence of the children alongside promoting good table manners. In Senior School lunch A member of the year 8 leadership team (Head Boy, Head Girl, deputies, Heads of House) will sit on alternate tables with staff.

### **6.1 Wet break Organisation:**

#### **Little Prestfelde:**

Children are supervised by LP staff in the LP Foyer to watch a film or play in the Covered Area.

#### **Middle and Senior School:**

Children are based within their own form room. Children choose an activity within their room. Duty teachers along with teaching assistants oversee and set the expectations of wet play time. Year 8 pupil leadership team support and monitor the organisation- supervising the breaks to support the duty teacher and playtime supervisor.

### **7.0 End of day:**

#### **Little Prestfelde:**

End of day arrangements are collated weekly by class teachers on deregistration clipboard. Parents are asked to inform the class teacher by email or Seesaw message if another adult is collecting their child on their behalf. Children will be deregistered to parents or an adult that we have received written consent for. If an adult arrives to collect a child and no notification has been given, the child's parents will be contacted to determine consent. The child will not be put into the care of the non-designated person until this consent is given. If another adult *regularly* collects a child on a guardian's behalf, an email to the class teacher at the start of term to give consent for the collection of said child is sufficient.

At 16:00 pupils are handed directly to parent or agreed responsible adult at the classroom door and marked off the deregistration form. Year 1 and 2 children are taken to the foyer for a story, they are then collected by the staff member running the club (clubs and preps are booked via SOCs) who deregisters them to parents at the end of club at 17:00 (16:30 or 17:00 for Ballet and Choir). Children not collected from story time in the foyer will be sent to join a suitable club. EYFS children not collected at 1600 will join the Den staff in the Nursery classroom for activities.

#### **Middle School:**

16:00 all pupils are handed directly to parents or agreed responsible adult and deregistered or collected by staff for clubs or prep. Clubs and prep are booked via SOCs. A SOCs or paper register will be completed in club or prep location. Following clubs and first prep pupils are either handed directly to parents or escorted directly to the dining room for second prep where a member of SLT will be on duty.

#### **Senior School:**

Second registration happens in form rooms after which tutors take pupils to the dining room for dismissal directly to parents or pre-agreed responsible adult and deregistered or collection by staff for clubs or prep. Clubs and preps are booked via SOCs. A SOCs or paper register in club or prep location. Following clubs and first prep pupils are escorted to the dining room to be collected directly by parents or agreed responsible adult and deregistered or to remain for second prep where a member of SLT will be on duty.

### **7.1 None collection:**

If a pupil is not collected by 18:15 the SLT member of staff on duty will make a phone call to listed contacts. If contact cannot be made in a timely manner, the school will endeavour to provide cover utilising a member of the residential team. Following this the Headmaster will be informed, and where appropriate the police contacted to help ascertain the location of parents/carers. In extreme cases the pupil can remain in school overnight with due regard to safeguarding policies and practises.

### **8.0 Boarding:**

Parents book their child(ren) into boarding via SOCS. This register is used to ensure all children are in attendance in the boarding house. Matron and Head of Boarding oversee the staffing and organisation of each night. Matron collects boarder from club, prep or second prep as appropriate and takes to the boarding house. Prestfelde offers flexi-boarding on a Tuesday, Thursday and Friday night. There is always a Boarding matron and a House parent on duty every evening. The Head of Boarding and matron are on duty over-night, and both live on site. Matron takes boarders to breakfast and deregisters each pupil to the appropriate member of staff. The safety and ratios of adults to children are always considered when planning trips and visits. See **boarding policy**.

### **9.0 After school events – Music, drama, fixtures:**

Arrangements are made to ensure pupils are supervised during play and concert rehearsals, or other events that bring small groups into school out of hours. Members of the PE Department supervise pupils on both home and away matches keeping a register of children attending.

### **10.0 Educational visits:**

The arrangements for the supervision of pupils during educational visits and trips out of schools are described in the **trips and visits policy**. The safety and ratios of adults to children are always carefully considered when planning trips and visits.

### **11.0 Unsupervised access:**

Pupils are not permitted into the swimming pool without a qualified member of staff in charge, nor are they allowed to use gymnastic, athletic or climbing equipment without supervision. Pupils are expected to follow reasonable instructions given to them by teachers or by qualified leaders in adventurous activities.

We ensure that pupils do not have unsupervised access to potentially dangerous areas, such as the swimming pool, the science laboratories, the design technology rooms, the theatre, the gym, the pond etc. Doors to these areas are kept locked at all times when not in use. All flammables and other hazardous substances are kept securely locked in appropriate storage facilities.

Pupils do not have access to the grounds, maintenance, catering and caretaking areas of the school. There is clear signage in place.
