

## WFHS Excellence in Service Student Information

I would like to participate in the West Fork High School Excellence in Service Program. I understand that I must have accumulated a minimum of 50 community service hours to receive a green cord and 100 community service hours to receive a white and green cord. Community service hours must be pre-approved.

\*50 Hours= 1 Green Cord

\*100 Hours= 1 White & Green Cord

You must keep logs of all hours earned along with proper documentation, i.e., phone numbers and signatures for proper verification. There will be a date and time set to submit your logs for verification prior to award night ceremonies when you will receive your cords. You will be notified via the Remind App of the date and time along with any new volunteer opportunities that may arise.

Please return the bottom portion of this form to Mrs. Melendez in the counseling department. If you have any questions or concerns about the programs or if you need more logs for verification, please contact [smelendez@newcaney.isd.org](mailto:smelendez@newcaney.isd.org)

\*The rules and regulations are subject to change per NCISD Policy and Course guide adjustments with each school year.
