Counseling Corner

We are excited to host guest presenter, Patrick Tremaglio, on October 4 for our students in grades 8 - 12. Patrick has navigated school with ADHD and is an active advocate for others with ADHD.

In his presentation to our students, Patrick will share strategies to help students navigate school and adolescence successfully, learn to embrace their diagnoses, develop their passions and interests, be self-advocates, and be their true, wonderful selves.

Be sure to ask your student about the message that Patrick provides.

Thank you to all parents who have contributed to The Howard Fund during the first week of our six-week campaign! We are off to an amazing start!

Why Give to The Howard Fund?

Approximately 80% of our total revenue is dedicated to our most valuable asset: our faculty and staff. Contributions to [The Howard Fund](#) help us maintain a 6:1 student-teacher ratio and a 4:1 student-to-specialist/teacher ratio. The Howard Fund also enhances our programs by supporting everything from experiential learning opportunities and professional development to art supplies and technology. It completes our budget and helps make Howard ... well, Howard.

If you haven't contributed yet, please consider making a gift or pledge today. You can fulfill your pledge by July 31, 2025, for maximum flexibility
