

Boaz Intermediate School

Vision

- The VISION of Boaz City Schools is to serve as an innovative standard of excellence, inspiring life-long learners who make meaningful contributions to a dynamic world.

Mission

- The MISSION of Boaz City Schools is to cultivate a positive, student-centered learning environment championed by well-equipped, exceptional educators.

Beliefs

- The essentiality of providing a safe and caring learning environment
- Developing the whole child
- Meaningful community and school partnerships
- Operating in an ethical, moral, and professional manner

Clear Direction

Objectives

- Communicate school profile, data, goals, and improvement plan to school leadership and stakeholders.

Critical Initiatives

- Provide time and a process for leadership meetings to analyze the current state of our school and determine strengths and weaknesses.
- Provide stakeholders with school information, data, goals, and improvement plan. This includes how funding is budgeted and allocated

Healthy Culture

Objectives

- Create a school culture that supports the success of every student and communicates high expectations for every student

Critical Initiatives

- Provide student support for social and emotional needs of students
- Plan and schedule events and activities to improve communications

Impact of instruction

Objectives

- Provide effective core and tiered instruction using research-based strategies to achieve student proficiency.

Critical Initiatives

- Implement instructional strategies to support growth in fluency, vocabulary and comprehension across all content areas.
- Implement strategies in tier 2 and 3 groups to continue to grow in the areas of reading and math.
- Implement Math Afterschool tutoring to grow in math proficiency

Resource Management

Objectives

- Maintain updated material resources, including updated technology, to support the diverse needs of the school program.

Critical Initiatives

- Provide necessary materials to support the overall school program
- Provide pocket translators for classroom teachers to aide in parent communication in many different languages.
- Provide updated technology in classrooms to support the overall school program

High Expectations

Objectives

- Provide opportunities for students and parents to engage in learning activities that support the diverse school program

Critical Initiatives

- Plan and organize learning opportunities for parents and students to navigate through current issues 4th grade and 5th grade students face that impact thier ability to be successful.
