

Facility Use Agreement Acknowledgement:

I/we, \_\_\_\_\_, the requester, acknowledge, have read, and agree to review the emergency responses with our organization leaders. In the event of an emergency during the period of facility use, we will comply with the appropriate emergency response.

\*Organizations scheduled to utilize the facility on a regular basis should practice at least two different emergency response drills throughout the year.

A copy of the emergency response drills will be shared at the time of receipt of the facility use form. All emergency responses are located at all room location doors.

Failure to comply with emergency procedures will forfeit the right to future use of the facility.
