

CONSTRUCTION

Napa County Pathways

Facts

- Construction includes building homes and businesses, infrastructure such as bridges and roads, and industrial sites.
- The availability of jobs is good, especially for skilled trades.
- Collective bargaining increases salaries and benefits; apprenticeship programs may be available.
- Specialization, hard work, and experience can move you up the career ladder.

Employers

- Federal, state, and local governments
- Private citizens
- Commercial businesses
- Unions and trade groups
- Construction companies
- Schools and colleges
- Paving companies
- Private industries
