

# LOCAL COLLEGE FAIRS

## October 2024

---

### *College Fair @ Marian*

*Tuesday October 1st*

*6:30 - 8:00 PM*

*Over 100 colleges and universities will be here at Marian in the East and West Gyms. A roster of the participating schools is available by clicking on*

*[Illinois Regional College Fair.pdf](#)*

*Students from all years are welcome to attend. Students are expected to create a Strive Scan account. Parents are also welcome to create an account. After creating an account, the student will receive a barcode. This allows the college rep to scan the student's barcode and receive information about the student instead of the student having to complete an inquiry card. To register, go to*

*<https://app.strivescan.com/registration>*

*If you won't be able to attend the fair, consider registering anyway in order to take advantage of **Missed Connections**. If you can't attend the fair or just didn't see a college's table at the fair, this feature allows you the opportunity to express your interest in the institution and*

receive information. Students can send new **Missed Connections** to participating institutions at any time after the fair.

## ***Other College Fairs in the Area***
