WHAT IS A SCHOOL SOCIAL WORKER?

A school social worker offers assistance to students, parents, and teachers by addressing mental health, emotional, and social issues that affect learning. My goal is to ensure that every Cavalier feels secure, supported, and prepared to thrive both academically and personally. Whether you're facing personal challenges, seeking resources, or simply need someone to talk to, I'm here to help!

Here are some fun facts about me: Jillian Burkley, MSW, LICSW.

- School social worker for both the high school and middle school, working with students in grades 7-12.
- Social worker since 2012!
- Host of the Bridge to Brighter Tomorrows podcast, with new episodes every 3-4 weeks, focused on mental health and wellness.
- Passionate about making school a safe and welcoming place for everyone.
- In my free time, I enjoy walking my dog Nova and spending time with my family and two kids.

Designed with accessibility as a priority.

Have an extra Halloween costume? Drop it off with your school social worker or school nurse, and I will personally deliver it to the local costume drop-off before Oct. 27! This is a great way to help ensure every NH student has a fun and spooky Halloween.

In need of a costume? Be sure to check out the next Halloween shopping event with S.C.A.R.E. (Secondhand Costume Annual Redistribution Effort) for some great costume finds!

November

Your high school and middle school student clubs may be organizing a drive to collect food and clothing donations for local organizations. Be sure to check your emails for further information!

If you need support, don't hesitate to contact your school counselor, nurse, or me—your school social worker. We are here to help connect you and your family with a variety of resources.
