It is specifically agreed between the parties executing this agreement that it is not intended by any of the provisions of this agreement to create in the public or any member thereof a third-party benefit hereunder, or to authorize anyone not a party to this agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this agreement. The successful proposer shall procure and maintain minimum insurance requirements and shall provide all required documentation as per attached Appendix 3 to the MSBSD upon award of this agreement. Failure to furnish proper evidence of insurance, or the lapse of insurance required under the provisions of this agreement, may be grounds for termination. The duties required under this subsection shall survive the termination expiration of this agreement. **It is highly recommended that the proposers confer with their respective insurance companies or brokers to determine if their insurance program complies with the MSBSD's insurance requirements, as per attached Appendix 3.**

Any waiver of this section must be in writing, signed by the District's Superintendent. The MSBSD has the right to verify such records at any time during the life of the contract.

29. OCCUPATIONAL SAFETY AND HEALTH WARRANTY:

If awarded the agreement, the proposer warrants that the products sold or services rendered shall conform to the standards and/or regulations promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970 (29 U.S.C. 651, OL 91-596) and all amendments thereto. IV. Relationship of All Parties: It is expressly understood and agreed by the proposer and the MSBSD that the proposer's relationship to the MSBSD is that of an independent contractor.

31. CONFLICT OF INTEREST:

A. The contracting party expressly represents that the contract is not contrary to MSBSD School Board Policy BP 2300, Conflict of Interest and that the contracting party has read and understands BP 2300. If this representation is false, the Superintendent may terminate the contract without regard to partial performance and in the event of such a termination the District will have no further liability or obligation to the contracting party.

B. Any employee and/or employee with immediate family members that may have a financial interest in the contract must file an annual BP 2300, Conflict of Interest Affidavit with MSBSD. The following definitions apply to this policy: Immediate family member means an employee's grandparent, parent, child, grandchild, brother, sister, spouse, child of a spouse, or regular member of the employee's household.

33. TERMINATION FOR CAUSE:

A. If, through any cause, the proposer shall fail to fulfill in a timely and proper manner their obligation under this agreement, or if the proposer shall violate any of the covenants, agreements or stipulations of any awarded contract, the MSBSD shall thereupon have the right to terminate this agreement by serving written notice to the proposer of such termination and specifying the effective date thereof, at least thirty (30) days before the effective date of such termination. However, if the district determines that the continuation of this agreement constitutes an imminent threat to the health and safety of its students and staff, this agreement may be terminated by the MSBSD effective immediately.

B. In the event it becomes necessary to terminate the agreement awarded as a result of this RFP, regardless of the circumstances or time remaining on the contract, the proposer will be responsible for any and all expenses incurred by the MSBSD. These expenses can include, but are not limited to, cost of locating interim services, cost of re-issuing an RFP, and any additional cost to the MSBSD by the new contractor greater than the current contract.

C. We require the use of Service Provider Invoice (SPI), not Billed Entity Applicant Reimbursement (BEAR). Payment will be made in accordance with the rules and guidelines of the Universal Service Administrative Company and the Schools and Libraries Division. - J. Complete specifications must be provided with your proposal on all equipment or software offered.
- K. To provide security against directed denial of service or other directed route based attacks, the service provider will provide blackhole routing, also known as null routing, of any destination IP address within 15 minutes of a request made by MSBSD.

- M. The MSBSD understands that some of the services requested as part of this Request for Proposal (RFP) may not be eligible for rate subsidization from the Universal Service Fund. It is the MSBSD's intent to purchase internet services as part of this RFP process whether eligible or not for discount. Proposers shall separate out all cost for determination of eligible or ineligible services and furnish supporting cost information for all components of the services. All costs, eligible or ineligible, should be recorded appropriately on Attachment C: Cost Proposal.

EVALUATION CRITERIA

1. GENERAL

An Evaluation Committee will be selected by the Matanuska-Susitna Borough School District (MSBSD) to review the proposals.

2. NARRATIVE PROPOSAL SCORING

The total score of all below criteria combined will dictate the ranking of proposals. Each proposal will be evaluated based on the criteria provided below.

Outstanding	1.0 – 0.9	The proposal far exceeds expectations, is very desirable, and has an excellent probability of success.
Excellent	0.8 – 0.7	The proposal exceeds the requirements of the criterion, demonstrates a high level of competence, and has a very good probability of success.
Good	0.6 – 0.5	The proposal meets the requirements of the criterion, achieves all objectives in a reasonable fashion, has a good probability of success.
Fair	0.4 – 0.3	The proposal adequately meets most of the requirements of the criterion, may be lacking in some areas which are not critical, and has a reasonable probability of success.
Poor	0.2 – 0.1	The proposal addresses some, but not all, of the requirements of the criterion to the minimum acceptable level, falls short of expectations, is lacking in some areas which are critical, and has a low probability of success.
Unsatisfactory	0	The proposal does not meet the requirements of the criterion, and the approach has no or very low probability of success.

The maximum weight (score) for each criterion is provided in the rubric below. The evaluation system is based on a maximum score of 500 points. Calculated points will be rounded to the nearest tenth of a point.

EXAMPLE: Firm A receives a score of 0.6 (Good) on the Introduction and Executive Summary criterion. Firm A's weighted score for that item would be:

$$10 \text{ points maximum} \times 0.6 \text{ score} = 6.0 \text{ points}$$

For the purposes of evaluation, a rating of "Good" or "Fair" shall be considered a baseline rating. Ratings outside of this range shall be justified by the evaluator.

In evaluating proposals, factors such as overall experience relative to the proposed contract, quality of work, control of cost, and ability to meet schedules may be considered. Evaluators may also contact listed references or other persons with knowledge of a proposer's past performance in order to make determinations.

3. **COST PROPOSAL SCORING**

In addition to a narrative proposal, the proposer shall prepare a cost proposal for the work to be performed. The cost proposal should be submitted in a separate sealed envelope. Cost proposals shall be scored using the following formula, which assigns the full point value to the least-cost proposal:

Maximum points available x (Lowest Price Received / Proposer's Price)

EXAMPLE: Firm A proposes \$60,000; Firm B proposes \$75,000; and Firm C proposes \$80,000.

Firm A: (175 points maximum x (\$60,000/\$60,000)) = 175.0 points

Firm B: (175 points maximum x (\$60,000/\$75,000)) = 140.0 points

Firm C: (175 points maximum x (\$60,000/\$80,000)) = 131.3 points
