Dear Margate Families,

This year, the Margate School Community is hosting an EMPTY BOWLS fundraiser. Empty Bowls is a grassroots organization that incorporates clay bowl building to fight hunger in our area. We will spend the fall building and glazing bowls which will be sold at our SOUPer Bowl fundraising event in February 2025.

Students are invited to register for a bowl making workshop. Below you will find a registration form with the scheduled dates for the TIGHE SCHOOL STUDENTS. Each workshop will be limited to 15 participants, and scheduling will be decided as the slips come in.

Workshops will be held after school from 3:00 - 4:00/4:30 in the Ross School art room. The fee for the workshop will be \$10 to cover the cost of clay and glaze supplies. Students will hand-build a bowl with wet clay and glaze a bowl from a previous workshop. Please remember that we are creating the bowls for the fundraising event and although it is possible to buy back your bowl, there is no guarantee.

Thank you again for your enthusiasm with this project as we show our children how our actions can make a difference. If you have any questions, please contact me at bfarrell@margateschools.org.
