Re: Transportation for the 2024-2025 School Year

Dear Parents and Guardians,

We are excited to announce that Baldy View Regional Occupational Program (BVROP) is now offering transportation services for students attending Montclair, Ontario, and Colony High Schools, providing convenient access to our Career Training Center (CTC) campus. Enclosed, you will find a list of available classes along with the bus pick-up and drop-off schedules.

If you would like your student to use the transportation service, please complete and submit the attached Transportation Enrollment and Waiver Form. This form can be delivered in person to our Career Training Center at 1501 S. Bon View Ave., Ontario, CA 91761, or emailed to Bus@bvrop.org.

Please be aware that the Enrollment and Waiver Form must be on file for your student to use the transportation service. Additionally, participation consent may be revoked at any time by either Baldy View ROP or the parent/guardian.

For further information, feel free to contact Dr. McGraw, Assistant Superintendent of Educational Services at Elizabeth_Mcgraw@bvrop.org.

Sincerely,

Dr. Shelley Adams
Superintendent

Transportation Enrollment and Waiver Form

In signing this release, I acknowledge and represent that I have read the foregoing, understand it, and sign it voluntarily as my own free act and deed. This authorization is good for the 24-25 school year.

Rider Notes: Anything we should know about the rider ahead of time? (Ex. Accommodations needed, IEP/504 plans, etc)	_____

Transportation Enrollment and Waiver Form

Student First Name: _____ Student Last Name: _____

Student Date of Birth: _____ Home High School: _____

Student ID Number: _____ Academic School Year: 2024-2025

I give permission for my student to participate in Baldy View Regional Occupational Program (BVROP) transportation program (Program) during the 2024-2025 School Year.

I understand that the drivers for the Program are not employees or agents of BVROP but are contracted service providers, and the vehicles are not owned or operated by BVROP. I understand BVROP is not liable for any injuries that may occur from my student's participation in the Program, and voluntarily assume all risks associated therewith.

I understand that, due to the return time of BVROP's provided transportation to my student's home high school in the evening, site supervision will not be available. I understand and hereby agree to arrange plans for my student's prompt departure from their home high school and release any liability from BVROP, the high school itself, and Chaffey Joint Union High School District (CJUHSD).

I have read, understand, and discussed with my student that:

- (1) They are to abide by any safety precautions that the service provider states while traveling in the vehicle;
- (2) They are expected to respect the vehicles they ride in;
- (3) They are to remain in their seats and not be disruptive to the driver of the vehicle.

As consideration for my student being able to participate in the Program:

I hereby agree to release, defend and hold harmless BVROP and CJUHSD, its commission/board members, and its authorized representatives from any and all actions, claims, damages, costs, or expenses, including attorney's fees, brought by or on behalf of my student and/or his/her parent or guardian which relate to or arise out of any personal injury, property damage, including death, that may be sustained by my student, as result of, or in any way arising out of my student's participation in this Program.

BVROP BUS TRANSPORTATION

CURRENTLY SERVICING STUDENTS ENROLLED AT:

School Bus Privileges

In view of the level of transportation services being provided by the District, there is the need for enforcement of realistic policies concerning conduct on a school bus. While basic rules of conduct have been established for the safe and efficient transportation of students, it is impossible to develop a set of rules that is all inclusive. Breaches of good conduct may occur which may not specifically be mentioned here. In all situations, students are expected to use good judgment and to conform to standards of good behavior.

INSTRUCTIONS OF THE DRIVER MUST ALWAYS BE FOLLOWED.

The primary function of the District's transportation system is to transport students in a safe and timely manner. It therefore becomes incumbent upon the District to establish those policies and procedures which provide the greatest degree of transportation safety.

Bus Loading

- Be considerate of the public or private property at the bus loading area.
- Plan to arrive at least five (5) minutes but not more than ten (10) minutes before the scheduled bus time.
- Line up in an orderly manner when preparing to board the bus.
- Stay twelve (12) feet behind the curb until the bus comes to a complete stop and the door is open.
- Single file onto the bus and be seated.
- Do not crowd, push or shove.
- Finish all food/beverages before boarding the bus.
- Animals, insects or reptiles (caged or otherwise) are not permitted on a school bus.
- Glass containers are not permitted on a school bus.
- Skateboards, skates and dangerous objects will not be transported on a school bus.
- Barefoot students are not permitted on a school bus.

Riding the Bus

- Take your seat quietly.
- All passengers MUST wear seatbelts, if the school bus is equipped with them.
- First students on should fill the rear seats.
- Keep all body parts inside the bus at all times.
- Students caught throwing objects out of the bus windows will be subject to disciplinary action including loss of bus riding privileges.
- Refrain from loud conversation, singing or whistling.
- Absolute silence is required at all railroad crossings. It is essential that the bus driver be able to hear as well as visually observe a potential hazard. This is especially important during foggy and wet weather.
- All buses are equipped with audio/video surveillance, to ensure the safety of our students, to prevent discipline problems, and to deter vandalism.
- Students caught vandalizing the bus or bus equipment will be subject to discipline including loss of bus riding privileges.

Leaving the Bus

- Leave the bus quietly and carefully.
- Keep away from the outside of the bus as it departs.
- If students must cross the street, they must do so only in front of the bus and only when the red lights on the bus are on and flashing.
- Students exiting the bus, other than through the front door, without the authorization from the driver will lose bus riding privileges.
