## MOHAVE HIGH SCHOOL STUDENTS ARRIVING TO CLASS ON TIME REACHES ALL TIME HIGH!

### FOR IMMEDIATE RELEASE

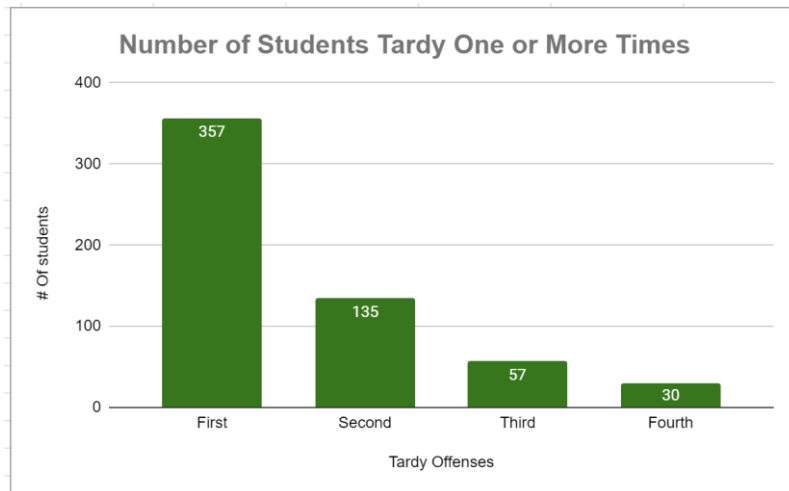

Wednesday, September 25, 2024

Michael Jake Carter  
Director of Community Engagement  
CRUHS

Bullhead City, AZ - The number of students arriving late to class has fallen significantly during the first quarter to the lowest rate of any school in the state of Arizona. This is the result of a progressive program used by school administration that balances student accountability with support. Students are learning the valuable soft skill of timeliness that so many employers value.

### MHS Principal Comment:

*“Our school culture is improving on campus. Students are excited to be in class and teachers are a huge part of that.” – Mrs. Kathleen Giannamore*

### Superintendent Comment:

*“I have seen this unique approach work successfully at 5 different high schools and I am very proud of our students for responding to the challenge to show up on time and ready to learn. I am also proud of our teachers and staff who put in the work and follow through to make this program a success. The school culture has changed so much for the better in the past 2 years. This is one more reason why Mohave High School will continue to win in Academics!” - Dr. Tim Richard*
