

How Fresno Unified Reads in Sora!

Set up Sora

1. From school issued devices, go to Clever and click on the Sora icon.
For Chromebooks or computers, go to soraapp.com to read in your internet browser.
For most other smart devices, go to meet.soraapp.com and install the Sora app.

2. Click- **Find my school.**

Find my school

3. Click- **My school isn't listed.** [My school isn't listed →](#)

4. Type your school name in the box.

Fresno Unified School District

5. Under your school (**McCardle is an example**),
Click the green button that says **This is my school.**

McCardle Elementary
577 E Sierra Ave
Fresno, California, USA

This is my school

6. Click the green button that says **Sign in using Fresno Unified School District.**

Sign in using Fresno Unified
School District

Using the Sora App

Find a Book

Click the binoculars icon at the bottom of the screen. You can browse, or to narrow your search, click one of these tools:

- **Search:** If you know what you want, search by book title or author.
- **Preferences:** Narrow options by availability, format, and language.
- **Collections:** Browse groups of books, such as Rick Riordan Fan Club.

Click the cover to...

- Click **Borrow** to check out the book

Interrupting Chicken • David Ezra Stein

Read sample

Add to list

Interact with your ebook

- Simply swipe to turn pages.
- Tap the top of bottom of the screen to see navigation and options.
- To get the reading menu, click the **three horizontal lines**.

Manage Your Loans via the Bookshelf

- Click **Options** or the book to get the menu.
- Don't forget to **Return** your book when you are done

Get more books, more places

- Add your local library so you can see both school and public library books when you search. From the home screen, click the three horizontal lines to get the app menu. Then, click **Add a library**. Enter your zip code, then select **Fresno County Public Library**, and select **This is my library**.
