

Los Berros VAPA Academy

OCTOBER

Parent CONFERENCES

Parent Teacher Conferences will be held October 7th through October 11th.

Please make note that we will have minimum days all week, with all students dismissed at 12:30pm each day. Teachers sent home conference confirmations with your scheduled conference day and time. Thank you

for attending this important conference with your child's teacher!

The PTA will be hosting the Scholastic Book Fair in Room 21 during conference week! The fair will be open from 12:30pm - 2pm all week long. All funds raised from the book fair will be donated back to our teachers to purchase books for their classroom libraries!

FALL Carnival

The Los Berros VAPA Academy PTA is looking forward to our annual Fall Carnival. Please join us on Wednesday, October 30th from 4:30pm - 6:30pm to trick-or-treat around Los Berros with games, cake walks, treats, food trucks... and lots of fun for the whole family! Costumes are optional, but welcome. No masks or weapons of any kind will be allowed.

The PTA is asking for candy and cake donations for the carnival. If you're able to donate a bag of candy, please drop that off at the office anytime this month. Donations for the cake walk should be dropped off at the front office the morning of October 30th.

Artist OF THE MONTH

This month students will focus on young artist - Miles Bonham, also known as Miles Music Kid! Miles is musical prodigy and internet sensation who has captivated millions of followers with his music production videos. At only 8 years old, Miles is recognized as one of the world's youngest producers, and has perfect pitch - a skill that only 1% of the population has. He can also play multiple instruments including the guitar, piano, saxophone, drums, and violin.

SEL CORNER

In October, students will be learning about having a Growth Mindset. A Growth Mindset is believing that your brain can grow and you can learn many new things. October's theme week will be Red Ribbon Week where students will learn about making healthy choices and addressing peer pressure reinforcing a healthy and drug free community.

Reminders

Every minute of learning time in the classroom is important. Please assist us in minimizing interruptions during class time.

Some ways you can help are limiting messages and deliveries to students during class time except in emergency situations. Please explain after-school arrangements to your student prior to the beginning of the school day and gather lunches, jackets, water bottles and other needed items for school the night before to avoid leaving them behind in the morning rush.

STAY CONNECTED
