The New Drug Talk

Fentanyl has changed the drug landscape, **and we have to change how we talk to kids about it.** This site provides education, free tools, and expert advice to help families in California connect and stay safe.

Stop the Void

VOID was formed to bring to the public's attention, through education, awareness and legislative advocacy, the immediate danger of sudden death associated with the use of illicit drugs, in particular FENTANYL, and other emerging synthetic analogs.
