Dear Blue Jay Family:

*As we conclude the first month of the new school year, I want to take a moment to reflect on our progress and express my appreciation for the support and dedication that has made this a successful start.*

*The beginning of the school year is always filled with energy and anticipation, and this year has been no exception. From our youngest learners stepping into classrooms for the first time to our seniors preparing for graduation, it has been inspiring to see the enthusiasm and commitment to learning from students, staff, and families alike.*

*As we move forward, I encourage everyone to stay engaged and connected. Our district has a full calendar of events, including parent-teacher conferences, extra-curricular activities, PTA meetings, and community meetings. We value your input and hope to see you involved in the many opportunities for collaboration and growth throughout the year.*

*As always, please feel free to contact your child's teacher, your child's building secretary, your child's principal or myself if you have any questions or concerns.*

Yours in Education,

Kirk W. Baker  
Superintendent  
Jackson-Milton Local School District
