

# LAKEWOOD CITY SCHOOL DISTRICT

## Elementary Planning Task Force

Wednesday, September 25, 2024  
6:30 - 8:30 p.m.

---

### 1. Welcome and Review (10 minutes)

- Maggie Niedzwiecki - Welcome
- Phil Herman - Review of Previous Meeting

### 2. Presentation of Scenarios (20 minutes)

### 3. Small Group Discussions (45 minutes)

A. Are there scenarios that you believe should be removed from consideration at this time? Please explain.

B. Given what you have learned about the scenarios and your knowledge and experience within the district, what do you see as the benefits and challenges of each plan in regard to:

- Educational impact
- Utilization of space
- PreK opportunities
- Perceived community desires

C. For the scenarios that remain, what additional information would you want to help you better understand each scenario?

### 4. Sharing Discussion Results (40 minutes)

### 5. Conclusion and Next Steps (5 minutes)

# LAKEWOOD CITY SCHOOL DISTRICT

## Elementary Planning Task Force

### *Meeting 3 Group Discussion*

---

Please take this time to discuss the questions below with your group. Use the chart paper provided to record your feedback. You will then be asked to briefly share the main points of your discussion with the entire group.

A. Are there scenarios that you believe should be removed from consideration at this time? Please explain.

B. Given what you have learned about the scenarios and your knowledge and experience within the district, what do you see as the benefits and challenges of each plan in regard to:

- Educational impact
- Utilization of space
- PreK opportunities
- Perceived community desires

C. For the scenarios that remain, what additional information would you want to help you better understand each scenario?
