

“What’s Happening at Harlan”

GoGuardian Parent Portal (Ms. Patty Staker, Supervisor of Technology)

Please communicate and empower guardians to have direct control over their student(s)' online activity on school-issued chromebooks while at home. Guardians will have access to:

- Block additional websites: Customize internet access to align with their family's values and educational goals.
- Pause internet access after school hours: Set boundaries and encourage focused homework time.

This feature provides guardians with a valuable tool for open and productive conversations with their student (s) about responsible online behavior. Access is provided by guardian email address, which must align with the guardian contact record in eSchoolPLUS. Guardians may validate and update their email address by logging into home access center.

Raise \$ for Harlan!

MTSS Kick-Off on Friday!

Attendance Tips!

- *Talk to your child about how going to school every day will help them do well in school and achieve their hopes and dreams.*
- *Keep an attendance chart at home to track absences.*
- *Recognize your child for attending school every day.*
- *Find a relative, friend, or neighbor who can take your child to and from school if you can't.*
- *Set up medical appointments for weekdays after school.*
- *Make attending school every day a priority unless your child is truly sick For more information and resources, visit www.brandywineschools.org/4orLe*
