Video Length: 29 minutes

Facilitation:

The video itself is almost 30 minutes. There is only one discussion prompt built into the video.

If you would like to offer the opportunity for your staff to stop and discuss, here are a couple of suggestions:

Time Stamp	Slide #	Prompt
@7:30	6	How do LEARN's guiding beliefs emphasize growth?
@16:45	11	Alignment of goals. Pause the video and have a conversation about what this would look like in your school/program.
@26	19	Allow time for teachers to process and ask questions about the concept of single point competency and elimination of rating.

Please let me know if you have any questions or technical difficulties:
