We would like to remind you of your obligations as a former employee of Friendswood ISD under the Educators' Code of Ethics located in Policy DH. As you know, your employment with Friendswood ISD places you in a position of trust within our organization and allowed you to have access to confidential student information.

Under the Code of Ethics, you have an obligation, even after the termination of your employment, to maintain the confidentiality of the student information. You also have an obligation to refrain from using or disclosing any such information other than for the benefit of the students.

We've made every attempt to ensure the accuracy of the information contained in the Exiting Employee Information Guide. However, if there is any discrepancy between the benefit descriptions and the insurance contracts or other legal documents, the legal documents will always govern.

Friendswood Independent School District appreciates your contribution to students and wishes you future success in all your endeavors!

WHAT HAPPENS WITH MY FINAL PAY?

FINAL PAY

If an employee's departure from Fisd is between the 1st and the 15th of the month, they can expect payment on the 5th of the following month, if their departure is between the 16th and the end of the month they can expect payment on the 20th of the following month. Please note that there can be exceptions to this rule, and we will make every effort to make the final payment promptly.

If an employee completes their assignment or contract, then pay will run through the 5th or 20th of August; depending on the length of the contract or assignment. In order to draw summer pay in a lump sum payment on June 20th, an employee must be terminating employment and request the payoff, in writing, to the Human Resources department by June 1st.

When an employee who has used more leave than he or she had accumulated ceases to be employed by the District, the cost of the unearned leave days shall be deducted from the employee's final paycheck.

The final check will be Direct Deposited. The only exception is if the Business Office is asked to hold the check for personal pick up pending return of district property.

ACCESS TO PAYROLL CHECK STUBS AND W2 INFORMATION

Employee Access in Skyward Finance will remain active until February 15th of the year following separation, for income tax information. This is located at www.myfisd.com. Exiting employees will be able to view payroll check stubs as well as W-2 information.

WHAT HAPPENS TO MY LEAVE BALANCES?

PAYMENT OF LEAVE AT RETIREMENT

An employee who takes full service retirement with the Texas Teacher Retirement System (TRS) with a combination of age and service years equal to 80 or more shall be compensated for accumulated local sick leave accrued while employed by the District at 50 percent of the rate of his or her daily wage at the time of retirement. A retiring employee may be compensated for no more than the number of workdays for one contract year or for the number of duty days specified for the position, whichever is appropriate.

An employee who takes reduced service retirement with TRS, shall be compensated for up to 100 days of local sick leave accrued while employed by the District at the rate of the daily wage of a substitute in effect at the time of retirement.

REMAINING LEAVE AT RESIGNATION

Any state leave accumulated prior to resignation will appear on your service record and will be honored at any Texas public school district. Local leave remains with the district and will be made available for use if you return to the district.

WHAT HAPPENS TO MY BENEFITS?

Employees Who Terminate Prior to the End of Their Contract

If an employee terminates employment with the District before completing the number of work days assigned to their contract, the insurance and benefits will end at midnight on the last day of the calendar month in which the termination is effective.

Employees Who Terminate On or After Last Day of Their Contract

For those employees that have terminated employment on or after the last day of their contract, the District will terminate the benefits on August 31 of that calendar year.

Medical - COBRA Continuation Coverage

An employee may choose to keep their current benefit coverage longer by enrolling in a COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985). Under COBRA, the employee and all dependents that were covered on the TRS ActiveCare Medical plan, while actively at work, may continue that same coverage for up to 18 months if elected. Once the employee's termination has been processed in our system, an election packet will be sent to them from Aetna-Bswift for the COBRA coverage. The cost is 102% of the premium, which is the full premium rate plus a 2% administrative fee. The employee will remit their premiums directly to the COBRA administrator.

Dental & Vision – COBRA Continuation Coverage

Employees can also elect to have COBRA coverage for their Dental and Vision. Once the employee's termination has been processed in our system an election packet will be sent to them from FBS-Financial Benefit Services for the Dental and Vision COBRA coverage. The cost is also 102% of the total premium, which is the full premium rate plus a 2% administrative fee. The employee will remit their premiums directly to FBS for the Dental and Vision COBRA coverage.

Employees have a 60-day election period from the termination date to make decisions on COBRA continuation coverage. If an employee is interested in continuing coverage, they should complete and return the necessary forms as soon as possible to the appropriate coverage administrator. Once payment is received insurance coverage will be retroactively effective the day after their benefits expired from the district.

TEACHER RETIREMENT SYSTEM OF TEXAS

IF YOU ARE PLANNING TO RETIRE:

If you are planning to retire, you need to contact the Teacher Retirement System of Texas (TRS) six months prior to your anticipated retirement date to allow yourself enough time to complete and submit all required forms. Start the retirement process by submitting a completed *Request for Estimate of Retirement Benefits* form (TRS 18) to receive a retirement packet. You may do this electronically, from the *MyTRS* section of the TRS website, or you may print Form TRS 18 from the forms section of the website, complete it and mail it to TRS.

After TRS receives your TRS 18, you will receive a retirement packet with the forms you need to select your retirement date and your retirement payment plan. When you receive your retirement packet, follow the instructions in the packet. You will need to send TRS a copy of your birth certificate, as well as a copy of the birth certificate of your beneficiary if you select Option 1, 2, or 5 as your annuity payment plan. Please write your social security number on any birth certificate you submit.

If you have questions regarding retirement, please contact TRS at 800-223-8788

IF YOU ARE LEAVING EMPLOYMENT BUT NOT RETIRING:

If you are leaving employment but aren't retiring, you have three options:

- Leave your contributions in your plan.
 - ▶ If you have less than five years of TRS service credit, you may leave your accumulated contributions with TRS, receive interest for up to five years while absent from TRS-covered employment and then later apply for a refund if you do not continue or return to employment with a TRS-covered employer. The interest rate is currently two percent.
 - ▶ If you have at least five years of TRS service credit you may leave your accumulated contributions with TRS and earn interest as long as these funds remain with TRS. The interest rate is currently two percent. When you meet applicable age requirements you may apply for a retirement annuity based upon your service and salary history on file with TRS at the time your employment terminated.
- You may terminate TRS membership by applying for a refund and withdrawing your account, but defer receipt of taxable income by rolling your funds over to another qualified plan or traditional Individual Retirement Account (IRA).
- You may request a refund of your TRS member contributions by completing and submitting an Application for Refund form (TRS 6) to TRS.

If you wish to withdraw your Teacher's Retirement, you can call 1-800-223-8778, or go online to www.trs.texas.gov to obtain the forms. The above information is as accurate as the district can determine. TRS Updates regulations quite frequently and TRS always has the most up to date information.

WORKING AFTER RETIREMENT

Service retirees may work without limit for an employer not covered by TRS without losing any monthly annuity payments. Disability retirees may work an unlimited amount of time for an employer not covered by TRS but may be subject to a compensation limit.

Generally, all retirees, both normal-age and early-age, must wait one full, complete calendar month after retirement before returning to work. Please note that you must observe TRS restrictions on negotiating for future employment, or you could revoke your retirement.

For more information about working after retirement refer to Teacher Retirement System of Texas Employment After Retirement Brochure located under the Retirees and Beneficiaries section at www.trs.texas.gov
