# As we celebrate 30 remarkable years of Catholic, Marist education at Notre Dame Preparatory...

**A**s we celebrate 30 remarkable years of Catholic, Marist education at Notre Dame Preparatory School, we are reminded of the profound truth in our school theme for this year's annual report: "Every gift can become a story." Each contribution—whether it be time, talent or treasure— to our school has not only furthered our mission of "working with God to form Christian people, upright citizens and academic scholars," but has also helped to build a rich mosaic of personal narratives that highlight the enduring impact of our collective efforts.

Throughout the decades, we have witnessed how the generosity of our donors has transformed lives. Our parents, teachers, coaches, students and alumni consistently share heartfelt stories of how their time at NDP shaped their personal path in their career, in college, or in those they encounter everyday. These stories are testaments to the power of education, faith and community—pillars that have stood strong since our inception.

In this annual report, we are honored to showcase the tangible effects of your gifts. You will read testimonials from students who have excelled

academically, grown spiritually, and become leaders in their communities. Learn how your support has enhanced our facilities, enriched our programs, and provided countless opportunities for growth and discovery.

Our faculty and staff, inspired by your generosity, continue to innovate and elevate the learning experience at NDP. With new technology in our classrooms, expanded extracurricular activities, and enhanced support services, we are preparing our students to meet the challenges of the future with confidence and compassion.

Alumni featured in this report reveal the lasting influence of an NDP education. From graduates who have become leaders in their fields to those who are making significant contributions to the world around them, each testimonial underscores the value of the foundation built here. These success stories are a direct result of the strong partnership between our dedicated educators and our supportive donor community.

We also highlight the impact on our campus infrastructure, where donor contributions have enabled us to create state-of-the-art facilities that foster learning, creativity, and athletic excellence. These spaces are not just buildings; they are the environments where young minds are molded, friendships are forged, and future dreams take shape.

Your unwavering commitment to the Notre Dame Fund has been the cornerstone of our success. Every donation, large or small, has played a crucial role in ensuring that Notre Dame Preparatory School remains a beacon of excellence and a nurturing ground for future generations.

As you peruse the pages of this report, know that each testimony is a reflection of your generosity. Thank you for believing in our mission and for investing in our students. Together, we continue to write the next chapter in the story of NDP!

“Every gift becomes a story.”

# LETTER FROM

**Stephen Pangori**  
*Board Chair*

Dear Notre Dame Community:

The student experience at Notre Dame has changed very significantly since the fall of 1994 when we welcomed 183 students thru the doors of the former Oakland Catholic High School with the mission, "With God, we form Christian people, upright citizens and academic scholars".

In addition to adding the B-Wing to start the middle school, establishing the lower school and then moving it to its current location, we have been able to create spaces that foster collaboration and learning like the Beverly Gifford Music Center, Timothy J. Easterwood Science, Art and Technology Wing, Robotics Center and the Melissa Kozyra Greenhouse and Learning Lab.

We became the first Catholic school in the United States with all three International Baccalaureate curriculum levels to inspire students from PreK-12 to think critically while developing a lifelong love of learning across all subjects.

We added spaces for our students to escape the classroom and experience the lasting memories of participating in school sports including improvements to the William Kozra Alumni Field, the Grimaldi Athletic Center, the Betty A. Wroubel Athletic Performance Center, first-class baseball and softball fields, tennis courts and a sand volleyball court.

None of these projects would be possible without the generous support of each member of our community. Your dedication and contributions have allowed us to grow and thrive, providing our students with an exceptional education and enriching experiences that shape their future.

On behalf of the entire Notre Dame family, thank you for your unwavering support. Together, we are not just building a school, but a legacy that will impact generations to come.

## LETTER FROM

**Andrew J. Guest**  
*Head of School*

Twenty twenty-four marks the 30th anniversary of Notre Dame Prep. It is a remarkable accomplishment for a small school that was started by the Marist Fathers and Brothers in 1994 at the request of Cardinal Adam Maida. I am fortunate to have been with the school for 20 of those 30 years.

We have come a long way since our humble beginnings in 1994. With three academic divisions, 31 sports teams, a 90-acre campus, and 1,020 students, Notre Dame Prep is a thriving community. This would not be possible without the benefaction and support of our alumni, parents, grandparents and friends.

Notre Dame Prep is the culmination of several legacy schools, including St. Frederick, St. Michael, Pontiac Catholic, Oakland Catholic and Notre Dame High School, who have all played a role in the success of the school today. Thank you for your support!

Last spring, we graduated 134 students who were accepted into 125 colleges and universities across the country, including Brown, Duke, Notre Dame, U of M, Pepperdine, Michigan State, and Dartmouth. These young alumni(ae) have the knowledge and skill set to make a difference in our world.

In fiscal year 2024, we made a major investment in safety by adding security cameras, an emergency communication system, and a full-time security and safety director to better protect our students and staff. In today's world you can never be too safe.

In the coming years, our strategic plan calls for greater investment in teacher salaries, scholarships, and facility improvements. We want to make sure that teaching is a sustainable lifestyle, that families can afford a Catholic education, and that we have the proper facilities to match our terrific academic and athletic offerings.

Most importantly, we will continue to live our Catholic and Marist mission to work with God to form Christian people, upright citizens, and academic scholars.

*Go Irish!*

**Kimberly Kriesel P'29, P'33**

1st grade teacher

"The most important part of my job here at school is teaching my students skills to be lifelong learners and to be good Christian people. Academics are important, but being kind and compassionate is just as important."

---

**Jessie Kennedy NDP'22**

"From an academic perspective, I've always felt that the teachers at NDP provide such a great environment for learning. They truly want their students to succeed and are able to provide the necessary resources for us all to succeed. If I ever needed help in my classes, I know all of my teachers were willing to give extra guidance in my studies to help with any problems that came up."

---

**Joe and Anne Marie Redoutey**  
P'14, P'17, P'21

"Along with providing the tools it takes for our children to compete in an ever-changing world, Notre Dame Prep supports our foundation of core values that also will help them make a meaningful difference in their world."

---

**Rev. Leon Olszamowski, s.m.**  
Founder and Corporate President

"We are not preparing kids to live in our world — we are preparing kids to live in their world, 20 or 30 years from now, when they are prosperous and productive people. When they are CEOs and leaders, we want them to be good CEOs and leaders and we want them to live in the world and not get swallowed up by it. Ultimately, we want to continue to provide to our kids the education they need to be successful in this world and in the next."

---

**Angelica Fandiño NDP'21**

"Notre Dame Prep has given me numerous opportunities to excel in my faith, service and academics, but in none of these areas would I have grown without the relationships I have built over the years. What I have accomplished and some of my most defining moments were achieved through the people I have been blessed to meet at school. NDP has given me not only a platform to voice my beliefs and interests but also a set of friends and faculty who will support me."

---

**Paul Gaynor ND'84 and Rita Gaynor P'12, P'18, P'20**

"As a third-generation Notre Dame family, we continue to value the philosophy of the school. Through the IB and AP programs and the advancements in technology, we see how ND has challenged our children to reach beyond traditional academic learning methods. NDP fosters student academic excellence and well-rounded individual development, while maintaining its Catholic identity. We are blessed to be part of the ND family."

---

**Brad Blakeslee NDP'20**

"I feel that the school mission has helped me try to be the best version of myself every single day, when I'm at school or when I'm not. Whether it's saying hello to someone in the hallway, holding the door open for a fellow classmate, or helping out those in the community, the school mission shapes the way I try to live my life every day."

---

**Christopher VanDieren NDP'19**

"For me, the NDP mission was an inspiration encompassing some of the most important values that exist in our world today. Between Christian people, upright citizens and academic scholars, it includes everything I strive to be."

---

**Brad and Jill Seitzinger P'18, P'21**

"We appreciate the Christian focus and the school's overall emphasis on academics and citizenship. And we've been very happy having our kids come up through this great institution, and we're pleased to be able help pave the way for many more students in years to come."

---

**Madi Scheessele NDP'15**

"I believe that NDP helped me to see how diversity is a real strength, something I feel that many of my university classmates didn't actually learn until college. From volunteering in the community for service retreats, forming a well-rounded worldview from the IB curriculum or discussing in religion classes how it is important to have empathy for everyone and celebrate their differences, NDP was a great foundation for learning these important aspects of the world."

---

**Kelly Simon P'24, P'26, P'29**

NDP middle school teacher

"Being there for the kids is the most critical part of my job. I know that sounds simplistic, but middle school students need to know you're there for them. I try my best to listen, to adapt to their needs, adjust to their attitudes and emotions and help guide them anyway I can."

---

**Rebecca Smith NDP'19**

"The people there were some of the kindest I've ever met in my life, and I really feel like I was part of a huge family. The atmosphere encouraged every student to challenge themselves personally and academically, and the overall drive to succeed present in every student was very refreshing."

---

### **Micaela Colonna NDP'12**

"Through the art department at NDP, I broke out of my shell and took interest in a career filled with lights, cameras and microphones. So by continuing to support the art department and others at Notre Dame Prep, I hope future students will benefit and be able to find what they are passionate about and turn it into their own realities. Like I have!"

---

### **Dave Pagnucco NDP'17**

"NDP is an extremely supportive and collaborative community that encourages students to have an open mind and try something different outside of expectations and their normal comfort zones."

---

**Rumia Burbank P'10, P'17**  
Board Trustee

"I'm so glad that DEI is a priority at Notre Dame and within our Marist leadership. We have done an amazing job educating our students, but I believe, just as importantly, we need to prepare them for a highly diverse world in which we are all accepting and tolerant of other views and perspectives."

---

**Dr. John Pomponi NDP'99**

"I truly felt privileged that my parents were able to send me to such an exceptional prep school like NDP, which also fostered my Catholic faith. Being able to attend Mass and receive religious education along with the rigorous math and science programs helped to keep me grounded and focused on the bigger picture in life."

---

**Paul Frank**

IB Primary Years Program Coordinator

"I fell in love with the school the minute I walked in the building. I still remember walking into the office for my interview and feeling I was where I belonged. The school mission was evident in the administration and I could feel it walking through the halls and rooms."

---

**Jonathan Karr NDP'20**

"I am so grateful for Notre Dame Prep paving the way for me. Notre Dame Prep's International Baccalaureate program, especially, laid a solid foundation that helped me succeed in college. And the experiences of Kairos and NDP's Catholic and Marist foundation guided me in deepening my faith even further throughout college."

---

**Nicole Hogan NDP'11**

"I feel very blessed to have attended NDP because the school impacted my life in such a positive way. Some of my best friends today are friends I made while I was a student at NDP, and I am so fortunate to have these incredible people in my life."

---

**Kimberly Anderson P'20, P'23**

Principal,  
Notre Dame Prep Upper School

"We all are learning more about what it is to be Marist by 'allowing ourselves to be possessed by joy.'"

---

**Michele Byrd P'16, P'18**  
6th grade teacher

"How wonderful it is to help students feel capable and encouraged. How fulfilling it is to serve God by loving His children. Scripture reveals that God has plans for each one of us, and I truly believe that I discovered His mission for me: teaching."

---

**Louise Palardy P'12, P'14, P'23**  
VEX Robotics moderator, Upper School Science teacher

"We believe the school mission of working with God to form Christian persons, upright citizens and academic scholars carries through from the classroom to extracurricular activities like robotics. We constantly stress teamwork and learning to cooperate and compromise with others. At the end of the day, we want the students to have a great experience, grow in their faith, and become innovative leaders of tomorrow."

---

### Siena Moccia NDP'19

"I chose Notre Dame Prep because I knew I needed a curriculum that challenged me. And the classes definitely were challenging, but it was taking on such challenges that basically set me up with such an insane drive to succeed in whatever I put my mind to."

---

### George Moussa, NDP'24

"It was here where I dove deep into my faith after being encouraged from all directions to pursue it, in no small part as a result of my experience on the Kairos retreat. It was also here at NDP where I met incredible people who I love and will continue to love forever. I regret nothing and thank God for everything."

---

**Abby Archey NDP'23**

"The academic experiences that NDP offered to me, especially with classes like botany, horticulture, AP biology and entomology, were amazing. These courses afforded multiple opportunities for hands-on exploration and field research. By pursuing a rigorous education in the natural sciences and devoting my free time to conservation efforts, I can act in the service of both wildlife and my fellow man."

---

**Nick Hafner NDP'10**

U.S. Air Force

"I actually attribute my success at the Air Force Academy directly to the habits, patterns and lessons learned at ND Prep. The academic workload along with the robust sports program taught me crucial skills of prioritization, time management, and the efficient use of my studying and training in order to maximize readiness for any possible tasks."

---

**Melissa Pierce**

Academic Interventionist

"I think all of us can benefit from thinking about how we can become more thoughtful, kind and engaged in our communities. One thing I love about NDP is the few moments every day where we are encouraged to reflect upon ourselves and our place in the world around us. Whether we do that through prayer, meditation, reflection or whatever method, it's important to understand ourselves within the larger community and how we can help make positive changes around us."

---

**Kelly Patterson S'05, NDP'99, P'33, P'35, P'35**

Vice Principal, Middle School

"Our faith is very important to us and we want our children to be educated in an environment where they can share their faith, grow in a relationship with God, and be educated in the Marist charism. The Marist part of the school is like no other school that we know of. We love that the Marist philosophy is patient, loving and also firm in discipline. We value the Marist philosophy and the mission of the school."

---

**Betty Wroubel**

Athletic Director

"We challenge our coaches to move beyond the Xs and Os of their sport and to infuse our faith in all that they do. It is our goal not to miss the opportunity to help form good Christians, upright citizens, and academic scholars in our practices, contests and other team events."
