Dear Cheektowaga-Sloan Community,

With great excitement, I am writing today to invite our entire community to a ceremonial groundbreaking event which will be held this **Saturday, September 21st** before the kickoff of our Homecoming football game at JFK High School.

On Tuesday, May 16, 2023, the Cheektowaga-Sloan Union Free School District community voted '**YES**' to accept the proposed \$8,500,000 *Beautification and Athletic Facility Enhancement Capital Project*. We are finally at the point where the project, specifically the new multipurpose turf field, is very close to beginning. As a result, we wanted to include our community in helping us experience a special moment together as we mark the final time that our high school football team will play a home game on the current grass field. We are so proud to invite everyone to a ceremony for this project where our District Leadership Team, Board of Education Members, Athletic Director, Mr. Casey Snyder, Football Coach, Mr. Colin Brinson and our JFK Football Players, along with other honored guests including our architects from Young + Wright will symbolically place the first shovels in the ground!

Following the ceremony, our JFK Bears will take on the Alden Bulldogs! We look forward to seeing everyone at the game dressed in their best ***Black & Gold!***

Event: *Beautification and Athletic Facility Groundbreaking Ceremony*

Date: Saturday, September 21, 2024

Time: 1:15 pm, (after the Homecoming Parade and before kickoff)

Location: JFK High School Football Field

I ask that you please reach out to our High School Principal, Mr. Julian, with any questions you may have.

Thank you for your support, and **Go Bears!**

Sincerely,

Andrea L. Galenski
