General Clarifications:

Question #1:

Is the school district considering including solar in the design package?

Response to question #1:

The District is not opposed to solar but it's not a priority.

Question #2:

Please clarify Evaluation Factor 3.c. "Qualifications of partners and key staff with project experience identified in item 1 above titled "Firm's Experience and Creativity" with emphasis on criteria #5." Is this referencing Evaluation Factor 1.e?

Response to question #2:

Yes, "emphasis on criteria #5" is in reference to 1.e.
