Jason Feldner moved and Ruth Warehime seconded to approve the June 26, 2024 meeting minutes. All members were in favor.

A discussion was held concerning the Science of Reading requirement for teachers. A form will be developed to request CEUs and to specify which license cycle the CEUs will count towards. The form must be submitted to the LPDC to receive CEUs.

A discussion was held about the Public School Works Trainings and how CEU requests should be submitted. It was decided that for required trainings, employees need to print their transcripts and submit them for approval.
