THE MUSE

The *Northview MUSE*, Northview's Literary Magazine, has just opened up submissions for this year's magazine! Each year, the *Northview MUSE* produces both a digital and printed copy of a magazine consisting of layouts created *by* students, *for* students. Northview students are encouraged to submit any mediums and pieces of art and writing (photographs, poems, short-stories, graphite, lyrics, plays, etc.) for a chance of getting featured in the magazine and winning an award!

A vertical poster with a dark, starry background and faint, glowing circular patterns. The text is primarily in white and yellow, with some blue and red accents. The main title "SUBMISSIONS OPEN" is in large, bold, white letters with a yellow outline. Below it, "FOR THE MUSE LITERARY MAGAZINE" is in smaller, white, all-caps letters. The theme "THEME: BUBBLES" is in large, bold, white letters with a yellow outline. The submission details are in a smaller, white, italicized font. The deadline "DEADLINE: OCTOBER 18TH" is in large, bold, white letters with a yellow outline. The contact information "FOR MORE INFORMATION:" is in smaller, white, all-caps letters, followed by a dotted line and the website "NHSMUSE.ORG", the location "VISIT MR. HANCOCK (537)", and the social media handle "@NORTHVIEWMUSE". A QR code is located in the bottom right corner, enclosed in a white border.

HOLIDAYS SEASON REMINDER

Students: As we approach Halloween, Thanksgiving and other winter holidays, we would like to remind that you no student is allowed to bring and distribute food, candy, desserts, baked goods (store bought or homemade) or any other edible items to school without the explicit permission of a teacher or administrator. Students who bring these items and/or distribute these items without permission will receive discipline for **Student Code of Conduct violation 7A: Failure to Follow Rules** and all food/candy items will be confiscated. Please know that this expectation is to keep all students safe. In order to keep yourself safe, please never eat or consume anything given to you by another student or person, anything you have not brought from your home or anything that is not in its original sealed package. This is due to recent national and state reports about students sharing edible items and synthetic medications with other students that contain very harmful substances.
