Join the Carson Valley Middle School PTG – Your Way!

Are you a parent who wants to make a difference at Carson Valley Middle School but feels overwhelmed by the thought of endless hours of volunteering? We understand!

Here's how you can help:

1. Share Your Skills: Tell us what you're good at or what you enjoy doing! Whether it's organizing events, crafting, technology, or something else, we want to match your talents with our needs.

2. Suggest Improvements: Have ideas on how we can enhance our school? From grounds improvements to new programs, your input is valuable.

3. Flexible Participation: Choose how and when you want to contribute. No long-term commitments required – just a willingness to help in a way that fits your schedule.

How to Get Involved:

- **Sign Up**: Fill out a quick form indicating your skills and interests.
- **Join Our Meetings**: Attend our monthly meetings in person or remotely to discuss new ideas and plans. Can't make the meetings, email in information/topics you would like to be discussed and/or considered.
- **Stay Connected**: Follow us on social media and our school website for updates and volunteer opportunities.

Our PTG Mission:

Our mission is to build a close-knit community of parents and support our school through fundraising and involvement. We aim to:

- **Enhance School Facilities**: Transform our school's aesthetics with murals celebrating our community's cultures and history.
- **Support Extracurricular Activities**: Fundraise to enhance amenities like basketball courts, volleyball courts, Gaga ball, soccer fields, and more.
- **Boost Classroom Resources**: Help fundraise for sports teams, clubs, and classroom supplies to enrich our students' education.
- **Create Positive School Culture:** Help support our PBIS program that enhances our social culture and behavior support systems that improve student social, emotional, behavioral, and academic outcomes.

Your involvement, big or small, makes a significant impact. Let's work together to make Carson Valley Middle School the best it can be for our students!
