<u>Bond Referendum</u>
• Permits voters to accept or reject the granting of the school board authority to issue bonds to generate revenue for the purpose specified in the referendum.
• School bonds can be used for capital improvements, which can include building new facilities, improving existing facilities and facility acquisition.
  ◦ This money can not be used for the day to day operations of a school district.
	• $90 Million
	• Requires a 9 Mill Increase to Debt Service
	  ◦ Currently at 84 Mills
