06.		SPARTA SPARTANS	(0-1) (1-3)
07.		ALLENDALE FALCONS	(0-2) (1-3)

Gus Kapolka has ignited the Red Hawk football team to an impressive 4-0 start for the first time since 2007, marking a thrilling turnaround for the program.

With victories over Avondale, Ypsilanti, Greenville, and Kenowa Hills, the team has showcased both skill and determination on the field. Kapolka's leadership and strategic acumen have been pivotal in fostering a cohesive team spirit, allowing players to shine and contribute to their success.

As the Red Hawks continue to build momentum, their early-season performance has not only reignited excitement among fans but also set the stage for a promising season ahead.

Mid-Season Review

Under the guidance of head coach Jacob Henige, the Lowell Red Arrows currently stand at 2-2, showcasing resilience and determination in a competitive season.

With victories over Marquette and Mattawan, the team has demonstrated their potential and ability to execute key plays. However, tough losses to East Grand Rapids and Coopersville have provided valuable lessons and opportunities for growth.

Henige's leadership has been instrumental in fostering a strong team culture, and as the Red Arrows continue to refine their strategy, they remain poised to build on their successes and push for a winning record as the season progresses.
