

eLearning Student Expectations

- The eLearning day (Friday, September 27) is a **B** day. Monday, September 30 is an **A** day.
 - You will follow your **B-day schedule**.
- eLearning days are just like any other school day:
 - You are expected to follow your schedule and attend class virtually during the scheduled time.
 - Your teacher **may** require you to check-in at the beginning of class.
 - During this time, you are expected to complete the assignment posted by the teacher.
 - Teachers will be available at this time to answer any questions you may have.
- You are highly encouraged to complete all eLearning assignments on the eLearning day. However, you do have until the start of the next B class to complete and turn in your assignments:
 - eLearning assignments given on Friday, September 27th will be due **no later than the start of the next B day class, Tuesday, October 1, 2024**.
 - If an assignment is not turned in, you will be marked SC-UNEX (unexcused absence) for each class period that you are missing an eLearning assignment.
