EAS ORIENTEERING TEAM 2024-25

Registration is now open for Orienteering! The EAS Orienteering Team came in first place last year out of all the middle schools that competed and we hope to do it again this year! If you've been thinking about a new sport that gets you outside and off your devices, check out orienteering. There is no experience required. We will teach you to use a compass, read a map, and a bunch of other skills.

There are two FREE WIOL pre-season trainings available on 10/6 and 10/26. Email WIOLRegistrar@gmail.com to register for the training sessions.

Register for the WIOL season before October 13th for a \$10 discount here: <https://register.wiol.org/>

Please reach out to Joe Dubail joe@dubail.org or Kathy Forgrave WIOLRegistrar@gmail.com for more details or with any questions.
