Red Ribbon Week

Leadership Connection

Happy Fall to our Panther family. Our 4th and 5th graders are busy using Habit #2-Begin With the End in Mind. Students have set goals within their classrooms and personally to achieve. Action steps have been put into place to help reach these goals. Since accountability is helpful to reaching goals, students use trackers in their Leader in Me binders to watch their progress and adjust action steps. Working towards goals with specific actions and being accountable makes for a leader in action. What goals could your student help establish at home?

Title 1 Corner

Parents please send a bag of individually wrapped candy by Oct. 16th to school. Then join us for Sumter School District Title 1 Tents, Treats, & Treasures family event on Oct. 18th at Hillcrest stadium 5:00-7:00PM
