

WHERE SPANISH COMES ALIVE!

Studies show that children learn another language more easily when it is a topic that they find fun and interesting. This year's Vamos series incorporates useful and exciting Spanish vocabulary, culture, and conversation skills.

- In our **¡Vamos a Comer!** (Let's Eat!) class, students will be introduced to the market experience from Spanish speaking countries, ordering food in a restaurant, and vocabulary to use at mealtime.
- In our **¡Vamos con los Animales!** (Let's go with the animals!) class, students will experience imaginary animal adventures with hands-on lessons "visiting" a pet store, a family farm, the zoo, the ocean, and even the rainforest!

Don't miss out on this valuable opportunity for your child to practice Spanish in an interactive bilingual classroom!
