I understand the limitations of the Lifetime Activity Pass and I am qualified to receive this pass.

Date _____ Signature _____

Detach and retain top portion. Pass holder takes bottom portion.

**The Jefferson County School District Welcomes You to the
Honorary Lifetime Activity Pass Program!**

The Honorary Lifetime Activity Pass is available to any Jefferson County Resident over the age of 55 or anyone who has retired from active service with Jefferson County Public Schools and is receiving PERA benefits.

Pass holders may attend activities and regular season athletic events sponsored by Jefferson County Schools without any admission charge. It is recommended before attending an activity, other than an athletic event, to call the school for seating availability. A school may designate specific functions as paid admission events only and passes will not be honored for those functions. The pass is to be used by the named pass holder only and must be shown at the admission gate to enter at no cost.

Thank you for your interest in the Honorary Lifetime Activity Pass and your support for our students' programs.
