

Hi CHA Families,

My name is Charis Whalen. I am the CHA Librarian Specialist. I am excited to have students explore books and check out to bring them home! My objective is to develop a love of reading for all students by exposing them to age-appropriate books, both fiction and non-fiction. I believe that the library is a resource for the entire school, and it is important to have the most current, Award-winning books in our collection. Therefore, I have a section of the library dedicated to new books for students to discover this year. I look forward to our partnership and working with your child. Please feel free to contact me via email or Teams for any questions.

Thank you,

Charis Whalen
