FLEXIBLE TUITION

HOW TO APPLY WITH THE CLARITY APP

ABOUT THE CLARITY APP

Saint Andrew's partners with Clarity for Flexible Tuition applications. Clarity is a streamlined and user-friendly way for families to securely share key information during the application process. Clarity removes the need to upload your tax information by transferring it directly from the IRS. This reduces the amount of information that you will need to enter manually and makes it possible to complete the application quickly and efficiently.

Most families are able to complete the Clarity Application in less than 30 minutes (but you can save your progress along the way if needed!). Read on below to get started.

HOW TO GET STARTED

1. Download the Clarity app (or visit clarityapp.com) to create your account.
2. Sign and submit Form 4506-C to give Clarity permission to pull your prior year tax returns. This form will upload that information for you!
3. Complete your financial information: income, expenses, assets, and debts.
4. Check the "Document Requests" panel on your portal to see what we'll need to process your application.
5. Click the "Save and Continue" button to save your work at any time.
6. The application fee is \$60/household, and covers all applicants.
