

# WINGS WEEKLY

ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

SEPTEMBER 26TH, 2024

## Crosswalks

Students, please use the areas on the map that are marked in yellow for crosswalks. These are the designated crosswalks by the City of Albuquerque and are the safest routes of getting you to and from school. We have reached out to Dan Lewis' office again to see about getting additional crosswalks and school lights across Ventana and Irving but until those are in place, please keep yourself safe and cross in these marked areas only. Please read the flyer about the signature petition we are working on to get school zone signage and additional crosswalks below.

## *Student Led Conferences*

Sign-ups will be available starting tonight at Open House for our upcoming Student Led Conferences.

Conferences are scheduled for **October 8th & October 9th** for both Middle and High School (the calendar has one day for each which is a little confusing). There will be NO in-person classes those two days however students ARE expected to be working on their courses in Edgenuity and progressing throughout both days! We highly encourage families to attend and have that beginning of the year conversation with your students homeroom teacher!

There is a growing amount of items in our Lost and Found located in the lunch room. If you're missing any personal belongings, be sure to check the Lost and Found before Fall Break (10/10). Unclaimed items will be donated!

6441 Ventana Rd. NW, Alb. NM, 87114

505-608-6441

## This Week's Essential:

**Have you heard your kiddo talking about our Weekly Essential?**

This week's essential is you may bring a bottle of water to class; you may not leave for a drink of water during class.

Go Guardian Parent Access:

Subject line: Welcome to GoGuardian Parent!

Welcome! Our school will be granting you access to GoGuardian, a mobile app designed to provide parents/guardians insight and control over their student's online activity when on school-managed devices and accounts. First, the GoGuardian Parent app provides an overview of your children's online activity on school-managed devices and accounts - this overview includes the apps, extensions, documents, and websites your student visited. Second, GoGuardian Parent provides you with an additional set of internet controls that you can set for out-of-school hours. GoGuardian Parent was created to help provide students additional educational support and is a companion to the classroom engagement and internet filtering tools that our school uses.

What is included in this app:

- Top 5 overview of your student's online activity
- Any teacher interventions related to your student's online activity
- 30-day overview of your student's online activity
- Ability to block websites on school-issued devices during out-of-school hours
- Ability to pause internet access on school-issued devices during out-of-school hours, either on-demand or at a scheduled time

To access the app, please follow the below instructions:

1. Download the app via Apple Store or Google Play Store
2. After the app is successfully downloaded and installed, open it up and enter the email address registered with the school.  
Note: If you forgot your registered email address, please reach out to front desk.
3. Login/Check Email: Check your email on your phone for a link to log in to the app. Tap the "Verify your email", and it will take you straight to the app. Note: If you don't have access to your email through the device you used to log in, tap on "Login with verification code", and copy and paste the verification code from the email into the app.

If you have any questions, you can reach us at  
[acatanzaro@samsacademy.com](mailto:acatanzaro@samsacademy.com).

SCHOOLMESSENGER®

As you know, we are in the middle of transferring our school messaging system from SwiftK12 (currently using but going away) to School Messenger. This has been quite the process and we will be testing the new system today. Please expect to get this newsletter TWICE. We will use the next few weeks where we you will get newsletters from BOTH systems to make sure that everything is going through. If something seems off, please reach out to the front desk. One change will be that you need to Opt-In to Receive Text Messages.

Text "Y" to 67587 from each wireless device you wish to receive texts on. The wireless number must be listed in PowerSchool for that student to receive messages.

If you receive a text message that says it is from SchoolMessenger (67587), it will most likely be the Opt-In message so don't ignore!

# ATTENTION PARENTS

Did you know that according to the International Center for Academic Integrity, 64% of students admitted to cheating on a test? Unfortunately, Albuquerque Aviation Academy is not immune to these statistics. Here is what cheating **can** look like...

Copying work from  
another student

Having someone else do your  
work

Using a script bot or similar  
AI to complete your work

Using Google or another online  
platform to get the answer,  
especially during a quiz or test

Using AI to write your essays

Cheating can come in many forms and is not limited to what is listed above. Students will be caught! Consequences include (but not limited to) zero's for assignments, tests and quizzes, in-school or out-of-school suspension, even up to long-term suspension and expulsion from public schools for the remainder of the school year with no credit received for the course(s). Talk with your students about cheating and what the consequences will be. It is NOT worth it!

# **DEMAND IMMEDIATE INSTALLATION OF SCHOOL ZONE SIGNAGE AND CROSSWALKS ON VENTANA RD NW**

**Erica Otero, a parent of Albuquerque Aviation Academy is helping our school try and gain the attention of Dan Lewis' office in hopes of getting school zone signage and crosswalks surrounding our campus.**

**Please take a minute to sign our online petition. We had communication with his office over a year ago and a traffic study was supposed to be completed, but we have not heard anything since.**

**Take a minute and sign today!  
(Click or scan the QR code above)**

## Empowering you with safety technologies for healthier learning environment.

STOPit provides you with: An anonymous, comfortable way for you to share information so that you can provide or get help as quickly and efficiently as possible.

Use the STOPit mobile app to anonymously report incidents to your school. Reporting is completely anonymous. You can include text, images or video. It only takes a few minutes

### What can you report?

- Bullying
- Cyberbullying
- Harassment
- Violence, threats, or weapons possession
- Alcohol or drug related issues
- Discrimination

### How STOPit Works?

- 1 Submit a tip via mobile app, website or 24/7 phone hotline
- 2 Incident Response Center monitors and reviews your submission
- 3 School Administrators receive and act on tip submission
