

LMS- Upcoming Activities & Reminders

August 30, 2024 Family Newsletter

Hello Leota Middle School Families!

I wish each and every one of you a wonderful weekend. As I step away for the three day weekend, I want to share a few announcements to help prepare for an amazing start to the 2024-25 school year. The staff spent several days this week planning and preparing to welcome your student/s back to school. We are so looking forward to having students back on campus.

Important Dates

Monday, September 2nd- No School

Tuesday, September 3rd- 6th Graders Only, plus WEB Leaders (Full day activities, with an adjusted schedule)

Wednesday, September 4th- All Grades attend. It is a full day schedule (**No Early Release**)

Safety

I have a couple of reminders for those families who plan to drop off or pick up their students from school.

- Please drive safely and watch out for kids crossing the street and walking through the parking lots.
- Pull forward when dropping off, so we are not blocking traffic on the street.
- Leota Middle School is a closed campus. I politely ask that you do not wander through campus during school hours including before school and right after-school.
- All visitors must check in at the main office.

Our students' safety is our number one priority.

Athletics

Season 1 Athletics begin Thursday, September 5th

- 7/8 Girls' Volleyball
- 7/8 Girls' Soccer
- 6 Girls' Soccer
- 6-8 Co-Ed Cross Country

We are still seeking a coach for 6th grade Girls' Soccer. If you are interested, please email DeAnn Henley at dhenley@nsd.org.

Reminder

The Northshore School District has eliminated all after-school activity buses. Please arrange for your child to be picked up no later than 4:30pm following after-school activities, such as clubs, tutoring, athletics, or detention. If your student is not involved in after-school activities, they are expected to be off campus immediately following the school day. All students on campus will need to be under the supervision of an adult following the regular school day.

Principal Chat

On the first Tuesday of the month, I will host a Principal Chat. This is your opportunity to learn more about activities and events on campus, as well as ask clarifying questions. We know middle school students are often reluctant to share about their experiences at school. Since it is the first day of school, I will host the first Principal Chat on Zoom. You will have two opportunities each month to participate in the Principal Chat. To establish consistency, I will host a 9am and a 5pm session. The information I share will be the same each session. If you are interested in joining me on Tuesday, September 3rd at either 9am or 5pm, here is my Zoom Link:

Again, I hope you have a wonderful weekend. The start of the school year is almost here. See you soon!

In partnership,

Scott Leick, Principal
