Recently, your student’s advisory ran a lesson that explored the social standard of “Strike a Balance.” Please click on your student’s grade link below for further information on the curriculum and for resources to help you continue the conversation at home.

New Attendance Line: How to Report Student Absences and Appointments

HOW TO REPORT UNPLANNED ABSENCES

When your child will be absent due to illness or for other unexpected reasons:

1. Notify us by emailing the new [Upper School Attendance Line](#), or submit an absence via your Parent Portal.
2. Please always provide the reason for the absence.
3. Report each day your child will be out of school; otherwise, your student will be counted as Absent Unexcused.

Please note: Letting teachers know of an absence is helpful; however, the US Attendance Line is monitored and is considered the “official” way to notify administration.

HOW TO REPORT APPOINTMENTS OR EARLY DEPARTURES

When your student needs to leave campus during the school day:

1. Please let us know in advance that your child has permission to leave campus by emailing USAttendance@StFrancisHouston.org or by notifying us through the Parent Portal.
2. When it's time for the student to leave, they should sign out with Upper School Office Manager Lydia Urbanek, and sign in with Ms. Urbanek upon their return to campus. (Parents do not need to sign for their students as long as parental permission has been given.)
3. If a student is attending a doctor's appointment, please provide a doctor's note.

Grades 10–12: College Representatives Are Visiting SFES This Fall

College representatives visit our school each fall. Students in grades 10–12 can view the list of visiting colleges via their Scoir accounts. Sophomores, juniors, and seniors are encouraged to attend these informational meetings with college representatives to learn more about different colleges, major programs, and personal goals.

- College representatives visit during the advisory period.
- [View the list of college representative visits in September.](#)
- For further information, please contact [Claudia Mejia](#), Director of College Counseling.

Note About Midterm and Final Exam Schedule

This is a reminder that students will have midterm and final exams through the entire last week of both semesters, including on December 20 for Semester 1 and on May 23 for Semester 2.
