- All programs are open to the public and accepted on a first come, first serve basis
- Parents may enroll their children via the [Mid-Term Program Registration Form](#)
- Please ensure your child is the eligible age before selecting your child's course
- Payment links will be sent via email from Global Payments to the parent indicated as the 'Parent 1' on the registration form; payment is due upon receipt; failure to remit payment will result in the loss of the registration request
- Registration for programs will close 3 days before programs are scheduled to commence or when programs reach full capacity
- For more information please email eca@dsc.edu.hk

Arrival & Dismissal

- Please arrive 10 - 15 minutes before and after scheduled courses for pick up and drop off
- Parents and caregivers are not permitted to remain onsite
- Students in Grades 3 and below are required to have parent/caregiver pick up

Health & Safety

- Please send your child with a labeled refillable water bottle
- Please inform the DSC Health Team, health@dsc.edu.hk, and external service providers of any known health conditions
- In the event of an emergency, your child will be transported to the nearest hospital, Pamela Youde Nethersole Eastern Hospital; parents will be notified via phone

Inclement Weather Policy

T1 - T3 Courses continue with possible modifications and cancellations for according to EDB guidelines

T8 Courses cancelled; parents notified via email

Amber Rain Courses may be cancelled; parents notified via email

Red Rain Courses may be cancelled; parents notified via email

Black Rain Courses may be cancelled; parents notified via email

Terms & Conditions

- No refunds, credits or make up lessons will be offered for student absence or in cases of inclement weather
- Course fees are non-refundable and non-transferable with the exception of course cancellation due to insufficient enrollment
- Parents will be informed via email in cases when courses are cancelled due to low enrollment, inclement weather or course cancellation due to teacher unavailability
- Students may be removed from programs due to behavior deemed inappropriate

Basketball

Join us for a week of basketball games, contests, and skill development! Our program focuses on improving coordination, agility, and speed to help kids become better athletes and basketball players. Plus, there will be plenty of time for fun. The camp is open to boys and girls and is designed for all skill levels. Students will be grouped by age and ability to ensure the best learning experience. Please wear comfortable sports clothing, bring a basketball (we can provide one if needed), and a water bottle. Hope to see you there!

Breakdance

Unleash your child's energy and creativity with our fun and engaging Breakdance Basics class! Designed for kids, this class introduces the exciting world of breakdancing through easy-to-follow steps, cool moves, and foundational techniques. Kids will learn body control, balance, and rhythm while building confidence and teamwork. Whether they're spinning, flipping, or just learning to groove, they'll be sure to have a blast as they master the basics of this dynamic dance style! Perfect for beginners, ages 6-10

Dates: Oct 14 - 18 **Ages:** 6 - 10 **Time:** 9:00 - 10:00 **Fee:** \$1500

K-Pop Dance

A K-pop dance program is a comprehensive curriculum designed to teach participants the choreography and performance techniques characteristic of K-pop music. The program typically covers popular dance styles, focusing on intricate group formations and synchronized movements. It includes learning routines from popular songs, emphasizing rhythm and musicality, as well as training in body control and expression. Additionally, the program may offer opportunities for performance showcases, fostering teamwork and individual creativity while building confidence on stage.

Dates: Oct 14 - 18 **Ages:** 9 - 12 **Time:** 10:15 - 12:15 **Fee:** \$1500

Gymnastics

Asia Adventure Sport's Gymnastics program is an exciting program that introduces children to basic gymnastic exercises, routines and apparatus and develops them to become competent, confident gymnasts. The program focuses on the performance of various exercises, all of which require strength flexibility, agility, coordination and balance. Our gymnastics classes are executed with the usual Asia Adventure Sport Environment of fun, passion and encouragement, coupled with great attention to technique and performance quality.

AI Creator: Make a Spooky Movie Poster

Want your child to use AI creatively? AI is an increasingly important part of our lives, but children rarely get to explore its use in creative ways, which means they will not understand how technology can benefit, instead of replace, their human creativity. In this camp, students will experience the exciting world of AI creation by making a spooky movie poster. This Fall, they will: Learn to design and edit photos with generative AI Create a poster for a fictional spooky movie Feel excited by the creative possibilities of new technology Work with teachers who have professional experience in creative industries No prior experience or specialized equipment are required. Parents/guardians are invited to a Showcase of student work during the last class. Limited to 8 students only, so enroll now to not miss out on the fun of AI creation!

Dates: Oct 14 - 18

Ages: 8 - 11

Time: 10:00 - 12:00

Fee: \$3480

Expressive Arts Camp

Spark your child's imagination at our Expressive Arts Camp! This vibrant 2-hour programme combines the excitement of musical theatre with essential speech and communication techniques. Students will engage in interactive activities that promote teamwork, boost confidence, and inspire creativity.

[Please click here to enroll](#) for more information or email hello@creative-collab.io

Theme: Inside Out - Emotions on Stage!

In the Musical Theatre section, students will develop their vocal and acting skills as they bring to life the enchanting characters from the animated film Inside Out. Through devised dialogue and choreography, they will culminate their experience with a lively showcase.

Dates: Oct 14 - 18 **Ages:** 4 - 6 **Time:** 9:30 - 11:30 **Fee:** \$3500

Theme: Encanto: A Magical Musical Journey!

In the Musical Theatre section, kids will sing and dance to the beloved songs from Encanto, engaging in collaborative storytelling and choreography, and winding up in a dazzling performance that highlights their talents and discoveries.

Dates: Oct 14 - 18 **Ages:** 7 - 12 **Time:** 9:30 - 11:30 **Fee:** \$3500

Open Class

On Day 5, students will have an exciting showcase during the last 30 minutes of class, allowing them to shine in front of family and friends.

Join us for an enriching experience that nurtures self-expression, collaboration, lasting skills that they can carry forward beyond the camp!

Children will be introduced to the wonders of science in a fun and highly imaginative environment. Our philosophy of “learn-by-doing” and fun innovation approach has inspired children of all ages to learn with an open mind. Children will discover the joys of science and learn different concepts through hands-on experiments, fun activities and take-home projects. ***All materials included**

Our mission is to:

- Get children truly excited about science
- Develop and raise science literacy among school children
- Provide a creative, fun, hands-on way to learn science

Powering Up with Green Science! Join us during midterm for an exciting journey into renewable energy sources like solar and wind power. Let's dive into the world of eco-friendly solutions as we discuss ways to reduce fossil fuel usage and combat air pollution. Through hands-on experiments and activities, kids will unleash their inner scientists, build their own "Green" power devices, and design their very own Energy-Smart Houses. It's going to be a week filled with fun, learning, and eco-conscious discoveries! *** all materials included!**

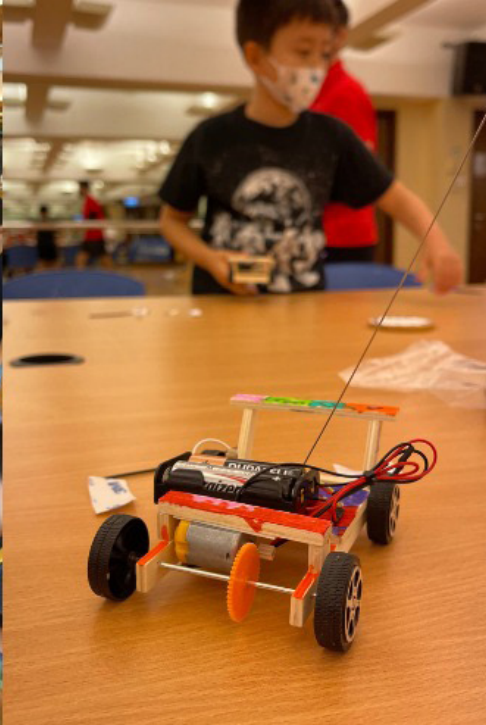

[Please click here to enroll](#) or for more information email info@activekidshk.com

Dates: Oct 14 - 18

Ages: 5 - 7

Time: 9:30 - 12:00

Fee: \$3500

Mochy – Empowering Young Minds

Mochy's vision is to inspire the next generation of innovators, with a mission to bridge the gap between life skill building and exam-based education. Mochy started as the pioneer focusing on STEM & STEAM (Science, Technology, Engineering, Arts & Maths) education in Hong Kong since 2013. Team Mochy is cultured, passionate and versatile. The happiness and growth of our students are the guiding principles behind our every action.

Storytelling Meets STEAM

This program explores the power of storytelling to enhance and deepen children's learning through science, art, and movement activities. Each dynamic session begins with an engaging storybook reading that transports young minds to enchanting worlds. Following the reading, students will participate in a series of carefully curated activities inspired by the story's themes and characters.

Projects Include:

- Experiment with the science behind making unbreakable bubbles
- Make magic hot ice and learn about supersaturation and crystallization
- "Bartholomew and the Oobleck" (Dr. Seuss): Get hands-on with oobleck - squeeze, punch, and watch it ooze! Explore its unique properties!

Dates: Oct 14 - 18

Ages: 4 - 6

Time: 9:00 - 11:00

Fee: \$3490

ALL ABOUT VEHICLES: ENGINEERING (POKEMON EDITION)

Mochy's vision is to inspire the next generation of innovators, with a mission to bridge the gap between life skill building and exam-based education. Mochy started as the pioneer focusing on STEM & STEAM (Science, Technology, Engineering, Arts & Maths) education in Hong Kong since 2013. Team Mochy is cultured, passionate and versatile.
