

TEDDY BEAR SLEEPOVER AT:

OCTOBER 18- 19, 2024

As part of National Fire Prevention Week, *Lampeter Strasburg Area Woman's Club* and *Willow Street Fire Company* are partnering to hold our second annual Teddy Bear Sleepover. Young children in the L-S Area can bring their favorite teddy bear or sleeping buddy to the Willow Street Fire Company for a sleepover! The teddy bear/sleeping buddy will have a night filled with learning about the fire equipment and climbing on the fire trucks! They might even have a chance to sleep next to the trucks! At **9:00 AM** the next morning the children can join us at the fire company for donuts and juice. Several volunteers will be on hand to answer any questions the children may have and return their favorite teddy bear or sleeping buddy.
