In accordance with Public Act 097-0609, each school district must post on their website the "total compensation package" for employees who receive a compensation package that exceeds \$75,000 per year. This information is required to be posted within six (6) business days after an employer participating in the Illinois Municipal Retirement Fund approves the budget. Public Act 097-0609 defines "total compensation package" as the employees's salary, health insurance, housing allowance, clothing allowance, bonuses, loans, vacation days granted and sick days granted.

District 200 IMRF employees do not receive housing/vehicle allowances, bonuses, or loans.
