

# Site Council Meeting

Thursday, September 19, 2024 / 5:00-6:00 pm / Media Center

## Agenda

**Introductions**

**“WHY” - work of Site Council**

**Roles/Responsibilities**

**Check Ins**

## Notes

- Discussed and addressed lock bathrooms during school hours. Bathrooms are only locked when the safety of students becomes a concern. Students always have access to an unlocked bathroom during school hours.
- Explained pass policy in more detail. Students with recurring medical/bathroom needs, will receive additional passes. These passes will be added to the back of their student planner.
- Discussed more communication across all communication channels about Site Council. To gain more diverse engagement and involvement from South High families. Advisors of Student Council and NHS will invite students to join site council meetings.
- .Discussion around Title One and SIP Goals. Currently on a 3 year plan with SIP goals that are in place. Title One dollars are used to support additional needs of the school.
- South currently has a few open positions. Considering posting open positions on our social media platforms.
- Infinite Campus: Teachers having access to choose excused and unexcused tardies for students.
