

Policies

Westerly Public Schools **No. 4125** **Health Insurance Portability and Accountability Act** **(HIPAA)** page 1 of 2

The purpose of this policy is to inform our customers, both internal and external, of our privacy practice.

In order to be in compliance with federal and state regulations, Westerly Public Schools has a procedure in place that addresses the privacy of and access to patient health information (PHI).

Notice of Privacy Practice

It is the policy of Westerly Public Schools to obtain Patient Health Information (PHI), at times, from a parent or guardian, to assess and effectively educate a student. In compliance with the HIPAA Privacy Act, adopted 4-13-2003, Westerly Public Schools will include a privacy statement and consent on any and all documentation pertaining to special services of a student.

All documentation gathered would be kept in student 'Special Ed' files. These files will be secured at the Special Education Department, Administrative Office Building, in a locked cabinet.

The Revenue Officer will perform transmission of Patient Health Information (PHI) to Electronic Data Systems (EDS), for federal reimbursement purposes only. The password will change every 60 days to ensure the security of this computer equipment intended for Medicaid reimbursement purposes only.

Students and Families

Westerly Public School students and their families are advised that information received with regard to a student's medical condition or obtained through a 'Student Accident Report' will be considered Patient Health Information (PHI) and therefore subject to this Privacy Notice. Patient Health Information may be used to facilitate payment for treatment or services rendered to a student. Patient Health information may be shared amongst the school nurse and those working with or chaperoning a student during the school day, during sporting events or on a field trip.

Employees and Dependents

Westerly Public School employees and their dependents who participate in our Group Health Plans are advised that Patient Health Information (PHI) may be disclosed to others for the purpose of facilitating payment for treatment and services that you or your covered dependents receive. The Group Health Plans may use or disclose your health information for any of the following reasons: Workers' Compensation, Health &
