

The Horry County Schools Scholars Academy Chapter of the
National Honor Society Bylaws

Article I: Name and Purpose

Section 1. The name of this organization shall be the Horry County Schools Scholars Academy Chapter of the National Honor Society.

Section 2. The purpose of this organization shall be to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of the Scholars Academy.

Section 3. All chapters must adopt and follow the National Constitution, as obligated in the chartering agreement signed by each participating school. Accordingly, the Constitution of the National Honor Society is the primary source for policy information for the Scholars Academy Chapter. The established bylaws are consistent with the Constitution and policies established by the National Council.

Article II: Vested Powers

Section 1. The control of this organization shall be vested in the Faculty Council.

Section 2. The Faculty Council, appointed by the principal, shall consist of one guidance counselor and four classroom teachers who represent the major academic areas of the school **or** five classroom teachers, according to the decision of the principal. The principal will also appoint a faculty adviser who shall serve as recording secretary and facilitator of the chapter, governed by the decisions of the Council and the principal. The chapter adviser is an ex officio, nonvoting, sixth member of the faculty council.

Section 3. These five members must be approved by the principal each year.

Section 4. All decisions reached by the Faculty Council will be obtained through a majority vote.

Section 5. The principal shall reserve the right to approve all activities and decisions of the chapter. The principal also reserves the right to veto any and all decisions of the Faculty Council.

Section 6. The principal shall receive appeals in cases of non-selection of candidates and the disciplining or dismissal of members. The principal may ask the Faculty Council to reach a decision on appeals.

Article III: The Chapter Adviser

Section 1. The chapter adviser shall be responsible for the direct, day-to-day supervision of the chapter and act as liaison between faculty, administration, students, and community.

Section 2. The chapter adviser shall maintain files on membership, chapter history, activities, and financial transactions.

Section 3. The chapter adviser will review each member each grading period for compliance with Society standards and obligations. When a member's grade average falls below the chapter's standard, the adviser will inform the student and his/her parents. The member will then be on probation until the next grading period when the grade average must meet the standard. While on probation, the member may not participate in an induction ceremony. If the GPA does not improve, the student may be dismissed from

the chapter. Grading period is defined as a semester. Therefore student grades are reviewed two times each year, following first semester grades in January, and final grades in June.

If a student fails to adhere to chapter bylaws, i.e. attendance and service requirements, he/she may be placed on probation and then dismissed if there is no improvement. He/She may appear before the Faculty Council or principal for appeal.

On issues concerning questionable character or behavior of a chapter member, the adviser will discuss the matter with the Faculty Council. Before making a decision on membership, the Council may listen to the member and to his/her parents, who may appear before the Council to speak and to answer questions deemed pertinent by the Council. The Council will then vote, with majority rule applying to the member's retention or dismissal.

Article IV: Membership Requirements and Selection

Section 1. Membership in the Scholars Academy National Honor Society is an honor bestowed upon a student. Selection is made by the Faculty Council and is based on outstanding scholarship, character, leadership, and service.

Section 2. **SCHOLARSHIP:** The grade point average requirement is a minimum weighted 4.250 based on the SC Uniform Grading Policy. This GPA requirement is based on GPA official calculation at the end of the sophomore and/or junior year. Students currently on academic probation who have been on probation during a prior quarter are not eligible for membership.

Section 3. **LEADERSHIP:** Students who are eligible based on GPA must submit a list and brief description of their leadership activities, which may include leadership activities at the Scholars Academy, in the student's base school, religious organizations, and/or in the community. Students must also submit a paragraph identifying their most meaningful leadership or service experience and describe why this experience was their most meaningful one. Students must also provide names of adult supervisors and/or sponsors with whom they worked and a working e-mail/phone number to contact them. Faculty Council members will research the eligible candidates using the students' submitted lists of leadership activities and contact information.

Section 4. **SERVICE:** Students who are eligible based on GPA must have completed the 15 hours of community service required each year at the Scholars Academy. Therefore students eligible at the end of the sophomore year for induction in the junior year must have completed at least 30 total hours of community service. Students eligible at the end of the junior year must have completed at least 45 hours of community service. Documented and signed hours of community service must be turned in by the due date provided by school administration. Community service hours turned in after the schools deadline will not be counted for membership in National Honor society. No extensions will be allowed. Service hours must be on file with the school for the NHS sponsor and faculty council to access.

Section 5. **CHARACTER:** Any student who has a documented cheating offense or Level 2 offense within the last year will not be eligible for membership. Any student who has 3 or more documented Level 1 offenses will not be admitted. Any student with a documented level 3 offense will not be admitted.

Section 6. Faculty members will receive a list of eligible students, i.e. those students who meet preliminary eligibility criteria listed in Article IV, Sections 2-5. Each faculty member may comment on the students' evidence of work ethic, leadership, service, and character. The Faculty Council will receive these forms and surveys to read for their deliberations. In addition, each Faculty Council member will

research the eligible candidates, using their surveys as guidelines. During the meeting to choose inductees, the Council will discuss each student and then vote by secret ballot. A student will be selected by majority vote. The adviser will tally the votes and announce to the Council the names of the new members.

Article V: Induction of Members

Section 1. Candidates become members when inducted at a special ceremony held as soon as possible in the fall of each school year.

Section 2. National Honor Society is a national organization; therefore, a student may only have one secondary school opportunity for membership. Because the opportunity for membership is available at Scholars Academy, **students may only apply to the Scholars Academy NHS; Scholars Academy students are not allowed to apply to their attendance-area school NHS.**

Section 3. Students inducted into the Scholars Academy Chapter of the National Honor Society must read the official NHS Bylaws and verify with their signature that they understand and will comply with the chapter rules.

Section 4. Students who are dismissed from the Scholars Academy NHS are never again eligible for membership at the Scholars Academy NHS.

Section 5. Students who are dismissed from the Scholars Academy NHS, but still meet eligibility requirements at his/her attendance-area school may not transfer membership to the attendance-area school.

Section 1. Scholarship: NHS members must maintain a 4.250 GPA. The chapter adviser will review each member's cumulative grade point average each semester. When a member's GPA falls below 4.250, the member will be placed on probation for one semester. The student and parents will be informed in writing by the chapter adviser. If the 4.250 GPA is not met the subsequent semester, the student will be dismissed from the chapter. Removal from the Scholars Academy NHS is effective immediately

A form will be provided for submission to Faculty Council. *Some students may be approved for positions of leadership held in other organizations.* It is possible to acquire leadership and service consideration for the same project if the student provides exceptional leadership in the carrying out of a group service project.

In addition to the above, students are expected to be school and classroom leaders that are outside of traditional leadership positions. As outlined on the NHS website, “Leadership is more than a position or title; it means embodying the spirit of initiative, innovation, and influence. It’s about inspiring peers through actions, nurturing a collaborative environment, and championing positive change. Student leaders embrace the responsibility of shaping their academic community, all while fostering personal growth and development. It’s an interplay of intellect, empathy, and resilience, guiding others while continually learning and evolving.”

Any additional level 1 discipline violation (except tardies) will result in revocation of membership in NHS. Once inducted into the National Honor Society **any cheating** offense will result in immediate revocation of membership in NHS. Once inducted into the National Honor Society **any** level 2/3 discipline violation will result in immediate revocation of membership in NHS. All violations will be reviewed by the Faculty Council.

NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character, the four pillars on which NHS stands.

Chapter membership not only recognizes students for their accomplishments but challenges them to develop further through active involvement in school activities and community service. Although membership is reserved for juniors and seniors only, activities completed in freshman and sophomore years will also be considered.

You excel. You serve. You lead. You succeed. You have a true thirst for challenge ... and accomplishment. Membership in National Honor Society (NHS) may be an ideal fit for you!
