RAL/MM Science Olympiad presents  
**Elementary Science Day Camp**  
for Grades 3, 4, & 5  
**October 11, Friday (non-school day)**  
at RA Long High School STEM Lab

**Morning Session (8-11am) OR Afternoon Session (12:15-3:15pm)**

*Both sessions will be the same*

Enjoy 3 hours of Science fun at RA Long High School!

R.A. Long Science Olympiad team members, coaches and certificated science staff, and C.H.A.M.P volunteers will lead your students through a series of fun and engaging activities designed to improve science and teamwork skills and understanding, in the safe, friendly environment of R.A. Long High School. Students will work in teams of 3-6, under the close supervision of certificated teachers at all times. We guarantee your student will be challenged, engaged, and inspired!

Featuring:

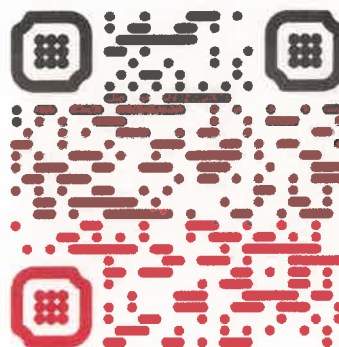

Engineering; Biology; Chemistry; Environmental Science; Physics; and Forensics.

Plus: Demonstrations of Chemical Reactions, Electrical Currents, Flames of Color, Human Bubbles and more!

***\*Signs will be posted the day of the event with balloons. STEM lab located next to the senior parking lot***

This is a fundraiser.

- Yes, I am a C.H.A.M.P. Volunteer     No, I need to fill out a C.H.A.M.P. form at the Longview School District Office.

## **You are invited!!**

**All 3, 4, and 5 graders sign-up to enjoy science fun & learning at the Annual Elementary Science Day Camp on Oct 11 (Non-school day).** RAL Science Olympiad Club will lead your students through a series of fun and engaging activities designed to improve science and teamwork skills and understanding, in the safe, friendly environment of RAL High School. We guarantee your student will be challenged, engaged, and inspired! *Featuring events in physics, chemistry, engineering, biomedical sciences, biology and more. Think rockets, code breakers, forensics, lab experiments and more.*

### **About the Elementary Day Camp:**

R.A. Long Science Olympiad team members, certificated coaching staff, and C.H.A.M.P volunteers will lead your student through a series of S.T.E.M. activities designed to improve science and teamwork skills and understanding, in the safe, friendly environment of R.A. Long High School. This camp is run by high school students and coordinated by RA Long Science Teachers/Science Club Advisors.

- **Lunch will NOT be provided. Sending snacks with your student is strongly encouraged.**
- **You are responsible for dropping off and picking up your student within 15 minutes of camp start or end times.** Pick up and drop off will take place at the side entrance of R.A. Long by the cafeteria. The parking lot will be marked with balloons.
- Please make sure the person picking up your student brings a valid I.D. and is designated as authorized to pick up your student. You are welcome to stay and observe the camp as long as you like.

### **Cost Information:**

The Elementary Science Day Camp is a fundraiser for RAL Science Club. The cost of attendance is **25 dollars per student**. If you would like to make a donation greater than 25 dollars, we would appreciate it. All proceeds for this camp go towards purchasing equipment and supplies for our science club and competition against other high schools in Washington State.

### **Payment Information:**

Make checks payable to "R.A. Long ASB Science Club". Fill out this registration form and pay at the ASB Office at RAL High School during school hours. **\*We will not accept payments through the mail. Email if you have questions.**

---

**Read and Sign below:** The Longview School Board recognizes that after school activities are an educational device that can be an important ingredient in the instructional program. Such activities can supplement classroom curriculum by providing enriching experiences in an alternative environment. These activities will be conducted at a school district site and will be supervised by school authorities. Every effort will be made to ensure pupil safety. In keeping with the policies of the Longview School District, no student is permitted to participate without the consent of the parent or guardian. Therefore, if a parent or guardian wished to grant permission for such an activity, written authority must be given for this purpose. This signed permission slip and registration form is your grant of authority for your student to participate in the event described above.
