2024-2025 School Assignments

Miles Avenue Elementary
Highland Elementary
Ben Steele Middle School

Kate is joining the district this year as a School Psychologist Intern. She has a bachelor's degree in psychology and criminal justice and earned her Master's in School Psychology from Minnesota State University - Moorhead. She is currently pursuing her Specialist degree.

Kate is enthusiastic about contributing to the Billings Public School district and is committed to helping students achieve their full potential. In her free time, she enjoys hiking, kayaking, and curling up with a good book. She also loves binge-watching mystery movies with friends and family.
